

TEAM PHOENIX NEWSLETTER

2024-2025 SCHOOL YEAR

Welcome to 7th grade, Team Phoenix! We are so excited for the 2024-2025 school year with you!

Below you will find some information and supplies that we feel like you need to be successful in the 7th grade.

Supplies

- 4 3-ring binders (1.5")
 - *or 1 larger 3-ring binder
 - Notebook paper
 - Pencils and pens
 - 2-3 subject spiral notebook with pockets
 - Sticky Notes
 - TI-36x Pro calculator
 - 2 Composition books (not spiral)
 - 5 subject spiral notebook or graph notebook (Math)
 - 2 packs of 5 dividers
 - Colored Pencils
 - Glue Sticks
 - Scissors
 - Highlighters
 - Earbuds or headphones
- (Please do not feel the need to get high end headphones because we would like for them to be left in binders so students always have them at school.)

Team Contact Info:

If you need to reach the team before the school year starts, please use this email:

lcmsw-7-team-phoenix@lee.k12.ga.us

Other things for the beginning of the year:

Agenda and Locker Rental - \$15

*Team t-shirt order forms will be sent home at the beginning of the school year.

Team Wish List:
If you feel led, we would love these donations to our classrooms:

-Tissues

-Disinfectant wipes

-Hand sanitizer

-Disinfectant spray

-Ziploc Bags (any size)

Team Phoenix Google Classroom Code:

Please go ahead and join this classroom to get more information!

Team Phoenix Things:

We are looking forward to a year of learning through various STEM activities and projects including the science fair!

We also typically go on a couple of field trips throughout the year. More information about field trips will come throughout the year.

Summer Challenges:

Summer is a time to kick back, relax, and enjoy being out of school for a while. Hopefully, while you are kicked back, you can find the time to read a good book. In an effort to encourage students to read over the summer, the LCMS West Media Center has issued a challenge for all students:

Read! Read! Read! Students are encouraged to read and document four books and/or a minimum of 800 pages this summer. Our Team Phoenix Google Classroom has the documents for this challenge!

Math Challenge:

Students will also have a Summer Math Challenge! This can be found in the Google Classroom with the code below.

Math Challenge Google Classroom Code: **7wdpmes**
