- B. Long-term Leave Without Pay A leave of absence without pay for up to twelve (12) calendar months may be granted to any teacher upon written application and subject to the approval of the School Board for the purpose of furthering a teacher's education, service as full-time officer of the Association or on its staff, campaigning for or running for public office, holding public office (for term of the office) or for other extenuating circumstances. Long-term leaves must be requested prior to April 1 of the year before the leave will be taken. Exceptions for emergency and medical situations may be granted on the recommendation of the Superintendent.

  2. The continuing contract shall remain in effect and the teacher shall retain all fringe benefits which had accrued prior to taking the long-term leave of absence. The teacher shall not accrue additional experience credit for pay purposes or accrue additional leave time during the period of absence for the long-term care leave.
  3. Request for an unpaid leave of absence shall be made in writing no later than ninety (90) calendar days prior to the commencement of the leave with the exception of requests for extenuating personal circumstances.
  4. A leave of absence without pay may be extended for an additional period, not to exceed twelve ( 12) Calendar months, at the sole discretion of the School District.
  5. Teachers on an unpaid leave of absence shall be notified by the School District prior to February 1 requesting whether such teacher shall return to employment the next school year. The teacher shall notify the School District by March 1 whether the teacher shall return to employment. The School District shall notify the Association President once the mailings have been sent. Teachers who fail to give such notice shall not be reinstated unless such reinstatement is agreed to by both the teacher and the School District.
- C. Child Care Leave The School Board will grant child care leave to any teacher who makes written application for such leave subject to the following:

1. The teacher shall submit a written application for leave to the School Board at least ninety (90) calendar days prior to the desired start of the leave except that in case of adoption, the teacher shall upon learning the date of adoption, submit such written application effective the date of adoption and further that in the event of illness to a child, the teacher shall give as much notice as possible of intent to take child care leave.
2. The leave shall begin at a date determined by the Superintendent in consultation with the teacher and may be for a mutually agreed upon time, not to exceed fifteen (15) months. 3. At least one-hundred and twenty (120) calendar days prior to the expiration of the leave, the teacher shall signify intent to return to the teacher's original position or to a position of like status. In determining the actual date of return to duty the Superintendent shall consult with the teacher in an attempt to determine a mutually agreeable date of return. If there is no mutual agreement, the Superintendent shall establish a date of return after taking into consideration individual characteristics and capacities, willingness to return to work, and some natural break in the educational program.
4. In the event a teacher is disabled prior to the commencement of a scheduled child care leave, he or she will have the option of either using sick leave days to cover the disability or moving the beginning date of child care leave forward to include the days of disability.
5. A teacher will be granted one (1) additional school year of leave by submitting a written request no later than April 1 prior to the beginning of a school year for which the extended leave is requested. However, a teacher requesting an additional school year of child care leave shall not be allowed to return to duty during the term of that leave. The School Board is under no obligation to reinstate a teacher who does not comply with the above requirements.
6. The continuing contract shall remain in effect and the teacher shall retain all fringe benefits which had accrued prior to taking child care leave of absence. The teacher shall not accrue additional experience credit for pay purposes or accrue additional leave time during the period of absence for child care leave.
7. The parties agree that the applicable periods of probation for teachers as set forth in Minnesota Statutes 122A.40, Subd. 5 are intended to be periods of actual service enabling the employer to have an opportunity to evaluate a teacher's performance. The parties agree, therefore, that periods of time for which the teacher is on child care leave shall not be counted in determining the completion of the probationary period.
8. A teacher who returns from child care leave within the provisions of this section shall retain all

previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this agreement at the commencement of the beginning of a leave.

9. A teacher on child care leave is eligible to participate in group insurance programs if permitted under the insurance company policy provisions, but shall pay the entire premium for such programs as the teacher wishes to retain, commencing with the beginning of the child care leave. The employer shall provide a statement of costs due for all insurance benefits. The right to continue participation in such group insurance programs, however, will terminate if the teacher does not return to employment pursuant to this section.

  11. Adoption leave shall be granted in accordance with FMLA.
  12. Teachers may simultaneously use their accumulated and unused sick leave during the Family Medical Leave Act (FMLA) absence only to the extent of the teacher's six (6) week period of disability or eight (8) weeks for cesarean birth as certified by the teacher's doctor.
  13. A parent may take up to 6 weeks paid leave out of their accumulated sick leave balance, to care for their child and the birthing parent.
- D. Sabbatical Leave Sabbatical leaves are hereby replaced by unpaid leave of absence.
- E. Failure to Return from Leave Teachers who do not return to duty at the expiration of any leave of absence provided by Article XII, A, B, C, or D shall be considered to have resigned.
- F. Continuation of Insurance A teacher on an approved leave of absence established by Article XII, A, B, C, or D may continue to participate in the group insurances established by Article X, to the extent permitted by the insurance policy, at the teacher's personal expense. Any insurance benefit based upon income shall be calculated on the salary received during the last normal school year the teacher was on duty.
- G. Continuation of Seniority A teacher on an approved leave of absence established by Article XII, A, B, C, or D shall continue to accrue seniority during the period of the approved leave of absence.

### **Article XIII. Unrequested Leave of Absence**

- A. Purpose This Article has been agreed upon by the School District and the Association pursuant to the provision of Minn. Stat. 1 22A.40, § 10, and shall constitute the procedure for placing teachers on

unrequested leave because of discontinuance of position, lack of pupils, financial limitation or merger of classes caused by consolidation of districts. Accordingly, the provisions of Minn. Stat. 122A.40, § 11 shall not be applicable to any continuing contract teacher employed by the School District. The School District shall follow the procedure set forth in Article XIII.

1. In the event that unrequested leaves of absence are contemplated by the School District, the School District shall consult with the Association President prior to April 1 in a good faith effort to minimize the adverse effect of such leaves on the teaching staff and on the educational program of the School District.
2. In determining the number of teachers to be placed on unrequested leave, the School District shall first ascertain the number of District teaching positions for the next year. Present and projected enrollment, the financial status of the District, desired class sizes, and subject area consideration shall be used, as well as discontinuance of positions, lack of pupils, financial limitations, or merger of classes caused by consolidation, to determine the number of District teaching positions for the next school year.
3. The need may arise for the involuntary transfer of teaching staff members in order to minimize the adverse effect on the educational programs staffed by a teacher placed on unrequested leave. The School District shall discuss involuntary transfers with the Association President prior to making such transfers. Such transfers shall be made prior to May 15 for the following school year whenever possible.

B. Prior Notification

1. Teachers to be placed on unrequested leave of absence shall be personally notified whenever possible of such leaves. If such notice is by mail, it shall be restricted delivery mail with return receipt requested. The Association President shall also be notified of such leaves in the same manner within three (3) days of the notification to the teacher placed on unrequested leave.
2. Notification of the intent to place a teacher on unrequested leave shall be sent to the teacher and the Association President as soon as possible after an official action is taken to reduce staff, but in no event later than May 15 of the school term prior to the commencement of the intended unrequested leave.

C. Disputes Over unrequested Leave Procedures

1. A teacher who believes he or she has been unjustly placed on unrequested leave may pursue the complaint through the grievance procedure.
2. In the event that a teacher has been found to have been unjustly placed on unrequested leave, the said teacher shall be recalled to his or her teaching position and shall be compensated for any losses suffered as a result of such unrequested leave, less any unemployment compensation he or she may have received during the leave period.

D. Order of unrequested Leave

1. All teachers with limited permits and provisional certification as well as probationary teachers shall have their contracts terminated before any continuing contract teacher is placed on un-requested leave.
2. Then placement on unrequested leave shall be made on the basis of seniority within the field(s) for which the teacher is licensed. A teacher shall not be placed on unrequested leave when a combination of teaching assignments exists within the appropriate division for which said teacher is licensed, providing said teacher has greater seniority than the teacher(s) presently holding the assignment(s). In the event a teacher has not taught in that licensed area for at least one semester, or its equivalent, within the last five years, the school board will pay for course work needed to update the affected teacher in that licensed area. The Superintendent shall propose a reasonable time period and course of preparation to fulfill the requirements of this section.
3. All layoffs shall become effective July 1 of each calendar year.

E. Determination of Seniority

1. Seniority shall be defined as the length of continuous employment of a teacher from the most recent date of employment. Continuous employment for purposes of seniority shall include all employment for the School District in the capacity of a teacher, as defined by Article I, E-4. This shall include service as a Tier 1 or Tier 2 teacher.
2. Only service during the normal school year and normal school day, as defined in the contract, will count toward seniority.
3. In any one fiscal year, a teacher shall accrue a maximum of one year's seniority for all services performed.
4. A full year of seniority shall be granted for any full-time teacher as defined in Article VIII, A. Full-time teachers with continuing contract status who accept employment for less than full time, including all teachers on paid leaves and leaves of absence, shall continue full year seniority accrual.
5. A full year of seniority shall be granted for part-time teachers as defined in Article VIII, B. A full year of seniority shall be granted to long-term substitutes who work a full year.
6. The School District shall prepare from its records as of October 1 of each year, a seniority list consisting of Kindergarten through Grade 12(K-12).
7. The seniority list shall contain the name, seniority status and area(s) of Licensure of each teacher.

8. On or before October 15 of each year, the School District shall email all licensed teachers a copy of the seniority list.
9. In determining seniority status, the date the School District approved the teacher's individual contract shall be used. If teachers have the same School District approval date, the date the School District offered the teacher a contract shall be used. In the event of a tie, the teacher with the highest educational lane placement will be placed higher on the seniority list. In the event of a remaining tie, the teacher with the earliest date of issuance on a Minnesota teaching license will be placed higher on the seniority list.
10. Teachers shall continue to accrue seniority while on any approved leave of absence.
11. Seniority applies only to Tier 3 and Tier 4 teachers and commences with the first day of continuous service in the School District.

F. Bumping Rights

1. A teacher who receives notice of proposed placement on unrequested leave of absence may elect to displace a teacher with lower seniority status, provided that the displaced teacher is the least senior teacher for which both are licensed by PEL SB as per October 15 of the current school year.
2. A teacher shall be considered licensed for the purpose of this Article if such teacher has a valid license from PELSB (other than an out of field permission) to teach in such subject area or field.
3. District employees other than members of the bargaining unit shall not be entitled to displace teachers in the bargaining unit.
4. A teacher who elects to exercise his or her right to displace another teacher under the provision on this section, shall do so by written notice to the Superintendent within ten (10) working days from the date of receipt of notice of proposed placement on unrequested leave.
5. A teacher displaced under the provisions of the section, shall be placed on unrequested leave of absence and shall be notified of such leave in accordance with the procedure set forth in Article XIII, B.

G. Status While on Leave

1. Teachers placed on unrequested leave of absence shall remain eligible for group insurance benefits at personal expense.
2. Payments of premiums by those teachers electing to continue group insurance benefits while on leave shall be made on the basis of quarterly, semiannual or annual payments, at the teacher's option.

H. Recall Procedure

1. No new teacher shall be employed by the School District while there is available, on unrequested leave of absence, a teacher who is licensed to fill the vacant position or combination of assignments compatible with the said teacher's license. A combination shall be arranged whenever possible so that the teacher with the highest seniority status shall be recalled first.
  2. A recall list shall be maintained and updated annually by the School District. Teachers on the recall list for more than five years shall be dropped from the recall list and shall not be subject to the recall provisions of the Article.
  3. As positions for which a teacher is licensed become available, he or she shall be recalled to employment in the inverse order of layoff, provided however, that no full-time teacher on the recall list shall be required to accept less than a half-time position. A teacher accepting a position of less than full-time, shall not jeopardize his/her right for recall to a full-time position.
  4. The order of recall shall be determined by a teacher's seniority status at the time he or she was placed on unrequested leave.
  5. Notification of recall shall be by either telephone call, in person with signature for verification or by restricted delivery mail with return receipt requested and shall be to the last known address provided by the teacher to the office of the Superintendent.
  6. A teacher shall have up to fifteen (15) calendar days from the date of receipt of notification of recall in which to notify the Superintendent in writing of his or her intent to accept the School District's offer of re-employment or to indicate in writing his or her intent to waive his or her option to be re-employed in the position offered. Teachers recalled to employment shall report for work within two (2) weeks after the date of acceptance of recall.
  7. If a teacher waives his or her right to re-employment in the position offered, the position shall be offered to the teacher with the next greatest seniority, provided that teacher is licensed for the position.
  8. A teacher who is recalled shall be reinstated to his or her former position or to a position of similar nature and status. Such a teacher shall be placed on the next highest experience step of the current salary schedule than the step they were on at the time of placement on unrequested leave and shall maintain a continuing contract, salary, benefits, seniority, compensation and other advantages, received or accrued prior to such layoff.
- I. Termination of Rights A teacher's recall rights shall terminate should any of the following events occur:
1. Voluntary removal by a teacher of his or her name from the seniority list, provided, however, that no full-time teacher shall lose recall rights if he or she refuses recall to less than a full-time teaching position in accordance with Article XIII, E-1, 3, & 9.

2. Resignation of teaching position;
3. Retirement or attainment of retirement age as specified in this contract;
4. Discharge or termination for cause;
5. The expiration of five years from the commencement date of an unrequested leave of absence without having been recalled; or
6. The expiration or revocation of a valid teaching license.

J. Effective Date and Scope This Article shall be effective at the date of the signing of this Contract and shall govern all unrequested leaves until a new Contract between the School District and the Association is officially signed and ratified. This Article shall govern unrequested leaves for all licensed teachers and no other licensed employees shall be entitled to the protection of this policy. Licensed employees other than members of the teachers' bargaining unit shall not be entitled to exercise seniority privileges to displace teachers in the bargaining unit nor shall members of the teachers' bargaining unit exercise seniority privileges to displace other licensed employees.

It is given orally, directly to the teacher and is identified as an oral reprimand. A follow up written summary of the conversation is given to the teacher. The written summary is not placed in the teacher's personnel file. A copy will be kept in the Principal's administrative file. A conference between the teacher and her/his supervisor shall be held prior to the imposition of written reprimand, suspension without pay or discharge. A teacher may challenge the contents of any written materials pursuant to the provisions of Minn. Stat. 122A.40, Subd. 19. The teacher shall have the right to invoke grievance procedures set forth in this Agreement at the arbitration level, provided written

- E. Time of Suspension Suspension without pay shall take effect upon receipt by the teacher of the written notice of suspension or shall take effect as otherwise indicated in the written notice. The suspension shall continue in effect for the time period provided in the written notice of suspension without pay. The maximum suspension without pay shall not exceed the length of one school year.
- F. Suspension With Pay The parties acknowledge that the School District has the right to impose a suspension with pay as a disciplinary action under special circumstances. Regarding Salary Schedule C**

This Memorandum of Agreement (“MOA”) is entered into by and between the St. Anthony Village Education Association (“SAVEA”) and Independent School District #282 (“District”).

WHEREAS, the SAVEA and the District are parties to a Master Agreement, for the period of July 1, 2023 through June 30, 2025, which governs the general terms and conditions of employment for teachers; and

WHEREAS, Article IX, Additional Assignments, Section D, Extracurricular Assignments and Section F, Status of Schedules C and D of the Master Agreement specifies the extracurricular positions available along with their rate of pay;

1. **Term of MOA.** This MOA will be in effect for the 2024-25 school year and until it is superseded by language in the Master Agreement.
2. **Salary Schedules C.** The parties created a joint Labor Management Committee that reviewed the current language / salary schedule and developed an alternative athletics and activities pay schedule (previously known as salary schedule C).
3. The alternative athletics and activities pay schedule (previously known as salary schedule C) will go into effect beginning with the 2024-25 school year.
  - a. The Athletic and Activities Director’s office will make the payscale available to Union leadership.
  - b. Changes to the pay scale must be approved by a joint labor - management committee with equal voting power.

4. The District and SAVEA leadership will review the alternative athletics and activities pay schedule prior to the beginning of the 2025-2027 contract negotiations. At that time, either group can request a return to the traditional Salary Schedule C. A return to the traditional salary schedule would default to the pay rate from the 2021-23 contract plus 3%.
5. **No Precedent or Past Practice.** Nothing in this MOA shall be deemed to establish a precedent or practice to alter any established precedent or practice arising out of or relating to the Master Agreement between the SAVEA and the District. No party may submit this MOA in any proceeding as evidence of a precedent or practice.

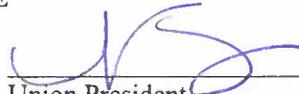

**Entire Agreement.** This MOA constitutes the entire agreement between the parties relating to the subject matter described in this document. No party has relied on any statements or promises that are not set forth

in this document. The MOA controls to the extent that it conflicts with the Master Agreement. No changes in this MOA are valid unless they are in writing and signed by both parties.
