

Inglemoor High School Volleyball teams are teams of dedicated student-athletes who take pride in their school and are willing to make maximum effort in both the classroom and on the volleyball court. Wearing a Viking uniform is a privilege, one that contains many responsibilities and rewards.

Tryouts for the 2024 season are from 1-6 pm, August 26th through August 28th. Tryouts are your opportunity to learn more about the philosophy and expectations of the Inglemoor Volleyball program and to make your best impression on the coaching staff. You **MUST** attend all three days of tryouts unless communicated otherwise with Coach Alex.

BE ON TIME, which means 15 minutes prior. **DO NOT SCHEDULE CONFLICTING APPOINTMENTS** during any part of tryouts. Registration takes time and we want to ensure a prompt start time. Please fill out and sign pages 5 & 6 in this packet and bring them to tryouts. Upon arrival, every athlete will turn in their tryout form and receive a number.

Here's what you should know

Tryouts

Tryouts will be three days long for all athletes interested in making an IHS volleyball team. Tryout dates are August 26th- August 28th. We will do cardio and weightlifting from 1-3 pm and have a 30 min lunch period till 3:30 pm. At 3:30 pm we will start volleyball tryouts in the gym till 6 pm. Varsity will be chosen after the second day. Jv and C-team will be finalized on the third day of tryouts. Varsity's first practice will be Wednesday, August 23rd. (See schedule on page 4)

Practice

All athletes must be available for practice during the regular season from 3:30-7:30 pm. We will have 2 teams practice from 3:30-5:30 and one team practice from 5:30-7:30. All teams will lift weights throughout the season and watch game film.

Physicals

Physicals expire every other year. Please check the date of your most recent physical to ensure that it has not expired or will expire during the fall season. **You will not be allowed to try out with an expired physical.**

Final forms

All athletes must be Green and have “complete” status in final forms to try out and/or practice. Please check final forms and make sure everything has been filled out before tryouts on August 26th

I. WHAT TO WEAR/WHAT TO BRING:

DO wear comfortable clothes: a t-shirt, shorts/spandex, socks, court and/or running shoes, knee pads, plenty of water, and signed forms in this packet.

DO bring a water bottle, a sack lunch, and snacks. Tryouts will be long days and keeping your energy up will be very important.

DO NOT wear spaghetti-strap tops, head wraps (i.e. bandannas, sleeping scarves), or shirts exposing the midriff.

DO NOT wear jewelry, this includes but is not limited to, earrings, nose rings, and belly button rings.

II. TRYOUT CRITERIA:

The coaching staff will be looking for coachable athletes who have a great work ethic, love to compete, and want to learn to become better players and teammates. We are looking for future potential, and for those who desire to play at higher levels. Prior volleyball experience or skill helps but is not required. (Great volleyball players are not made, just made better!) Prospective student-athletes will be tested and evaluated for their overall athletic ability and level of volleyball skill. Coaches will use a tryout rubric and take notes on the following criteria:

1. **ATTITUDE:** Players who are positive, competitive, and eager to learn. A higher rating will be given to those who demonstrate strong leadership skills, the ability to work/communicate as a team (volleyball games do not last long with a team of one person!), and to those who are willing to take risks and are unafraid to learn from mistakes.
2. **ATHLETIC ABILITY:** Players with the ability to learn and perform complex skills. Volleyball puts a premium on explosiveness and rewards those unafraid to attack the ball.
3. **POSITION:** Players whose skills fit a specific need for the team’s overall balance. As the level of play rises (from C to JV to Varsity), the requirement for position-specific expertise rises.

III. WHAT TO EXPECT AT TRYOUTS:

Expect to work hard.

You will be asked to perform all physical testing and drills at full speed. You should run when shagging balls when moving from drill to drill, and when going to and from water breaks.

Expect to improve your volleyball skills.

At tryouts, coaches will both teach and evaluate. Even if you are not selected for a team, you will become a better volleyball player by the end of the tryouts.

Expect to enjoy yourself.

Tryouts are a normal part of the high school volleyball experience. We suggest you stay loose, make new friends, and decide that you will have a good time, no matter the result.

IV. SKILL INSTRUCTION:

Student-athletes being evaluated for the JV & C team will be taught volleyball basics including, passing, serving, attacking, and setting. Students trying out for the Varsity team will be evaluated on their current skills and experience plus will be given instructions for improvement as needed. All students will have the chance to become better volleyball players.

V. ATTITUDE EVALUATION:

Prospective Vikings should be willing to try hard, make mistakes, learn from those mistakes, and keep trying. Coaches will use the tryout rubric and take note of those players who listen, follow directions, and ask questions when necessary. Athletes who are **COACHABLE COMPETITORS** stand the best chance of making the team. We will be looking for individuals who are high-speed and low-drag. They must be able to lead, follow, or get out of the way!

VI. SKILL/COMPETITION EVALUATION:

Prospective players will be asked to demonstrate their understanding of basic volleyball skills (passing, serving, hitting, setting, blocking, and defense) in competitive situations. Coaches will use the tryout rubric and also take notes on those players who demonstrate progress while learning new skills or already know and demonstrate mastery of skills. For Varsity, coaches will evaluate players for their ability and potential to fill specific positional needs (setter, outside hitter, middle blocker, opposite hitter, defensive specialist, and/or libero). For C-Team & JV, coaches will be looking for well-rounded players that could possibly play one or two positions.

VII. HOW TO IMPRESS THE COACHES:

1. Be coachable
2. Help teammates
3. Have a positive attitude
4. Hustle - the coach should never see you walking to an activity or standing around talking
5. Work hard
6. Be among the first to arrive in the gym and among the first to help set up nets and equipment
7. Look the coach in the eye is spoken to individually or in a group
8. Be loud/Have energy
9. Be a champion ball shagger
10. Be among the first to help take down the nets and put away equipment

VIII. OPTIONS FOR PLAYERS NOT SELECTED:

Tryouts can be a difficult experience. One of the most challenging jobs for any coach is the final decision about which players make the team and who do not. The Inglesmoor High School Volleyball coaching staff strives to make all decisions fairly, without bias, and after extended deliberation and evaluation of each prospective student-athlete. During the tryout process, it is not unusual for some girls to decide they would rather not continue trying out. If you think you'd like to withdraw from consideration for a spot on the team, please talk it over first with one of the coaches; you may be underestimating your chances. If you are not selected this season and would like to try out again in the future, there are other options available to you that may help you in the future.

1. Attend open gym of area clubs in the Summer & Fall
2. Get private lessons.
3. Try out for club volleyball and attend camps/clinics.
