Please note Intro to Psychology covers topics of a sensitive nature and therefore might not be suitable for all students. Please see the Program of Studies for more information.

Physics of Sports and Hobbies, Intro to College Math, Financial Algebra, Intro to Programming Java and Intro to Programming Python are not accepted by the NCAA clearinghouse. This only affects college bound students **who plan to play a Division I or II sport** in college or university. Division III sports and college bound students who do not plan to participate in sports during college are not subject to the NCAA clearinghouse requirement.
