Wall of Honor

The Clintondale Educational Foundation “Wall of Honor” serves as a bridge between past and present students to demonstrate that success is achievable with hard work, perseverance, and integrity. Seeing the faces of alumni who have excelled in various fields can ignite hope and ambition in students, encouraging them to pursue their dreams and make a positive impact in the world.

Such an initiative not only celebrates individual achievements, but also fosters a sense of belonging and pride within the Clintondale community. It reinforces the values of integrity and character, which are essential for personal growth.

By recognizing and celebrating the accomplishments of alumni, Clintondale can create a supportive and motivating environment for students, helping them to envision their own paths to success.

Nomination Form

The Clinton Dale Educational Foundation "Wall of Honor" is dedicated to providing graduates a way of recognizing Alumni their excellence in public service, business, education, entertainment, fine arts, science and technology, or any other prominent area.

Part of our mission is to honor those Dragon Alumni. Another and equally important portion of our mission is to instill in the current students a feeling that they too can be successful adults irrespective of their challenging backgrounds.

A part of that task is for us to install a plaque in the hallway of the high school displaying a photo of the inductee, so that the current students can actually visualize who was inducted.
