

Dear Open Classroom Families,

With today being the last day of school (early out today at 1:30), this will be the last Penguin Post of the school year. I want to thank you all for your involvement in your child's education at Open Classroom. The innumerable hours given in so many ways are what shapes and makes OC the amazing place that it is! For that, THANK YOU!

I also wish to express my gratitude to the OC community for welcoming myself and other new OC staff this year. I am happy to have landed here, and I plan to stay and see many more classes graduate from the Open Classroom.

To those families who are moving and leaving us this year, I wish you the best! Thank you for all you have done to contribute to our community. You will be missed but know you will always have a place in my heart!

Please sign up now for OC committees for the 2024-2025 year!
