

CHAMPIONS

Champions Before & After School Programs

Champions, a division of KinderCare Learning Companies, is pleased to provide their Cognia accredited before- and after-school programs for the Steelton-Highspire School District. Champions is designed to provide children with a safe, caring, fun, and enriching “home away from home” during their out- of- school-time hours.

The program will open for school year 2024-25 and will take place right on the spot at Steelton-Highspire Elementary School!

Guided by passionate teachers, children in the Champions program will have the opportunity to explore their curiosity and interests and build confidence and community through hands-on projects and activities. In addition, time, space and supplies are available to support children in completing their homework; Champions teachers will assist and encourage them.

Champions also offers daily fitness and snacks and will help children develop healthy habits by promoting proper nutrition and physical activity.
