**Loganville Middle School Softball**

May, 2023

Dear Friends, Community Members, and Local Businesses:

We are Loganville Middle School Softball. We are very excited to give this great group of girls the opportunity to compete with other competitive middle school teams throughout the state of Georgia.

While we look forward to a successful season this fall, the Loganville Middle School Softball Team would like to ask for your support in helping our young softball players have a memorable and positive experience. We hope you will be able to support our team with a donation. Your company will have the opportunity to have their name and logo advertised on the team website and printed on a sign and to be placed along the fence. There is no donation amount too small. Any amount is greatly appreciated and will help out with expenses throughout the season.

We are always looking to make improvements to the field and facility as well as provide equipment to help the girls develop as players! Please know that your donation will go a long way in helping meet these needs.

Thank you in advance for your support!

Sincerely,

Coach Brandon Anglin and the LMS Softball Team

***Please include your business card with your donation***
