

AGREEMENT FOR USE OF DISTRICT-OWNED ELECTRONIC DEVICE

Page 1 of 2

Parent/Guardian's Acknowledgements and Agreements

I understand as follows:

- The Student will be issued a free electronic device by Marquardt School District 15 ("the School District"), for the Student's use as part of the curriculum.
- The electronic device is and remains the property of the School District.
- Similar to a lost or damaged textbook or library book, any loss or damage to the electronic device will be subject to fees for damage or replacement.

I understand that the School District will arrange for warranty coverage for the electronic device. I understand that the warranty will cover loss and/or damage to the electronic device, but I acknowledge that: (1) the warranty coverage is subject to the deductible of \$100.00, and (2) the Warranty may not cover all types of loss or damage to the electronic device.

I agree to the following:

- If the computer, bag/case, stylus or charger is lost or damaged, I agree that I will pay any and all repair and/or replacement costs that are not covered by the warranty.
- I understand that a \$100.00 deductible applies to each instance of loss or damage, and I agree to pay for any loss or damage subject to the deductible, up to \$100.00.
- I understand that complete loss or replacement of the electronic device is subject to the \$100.00 deductible one time for the lifetime of the device. Any total loss after that will be charged at the replacement value of the electronic device.
- I acknowledge that the Student is responsible for how the electronic device is used, and I agree to indemnify and hold harmless Marquardt School District 15 (and its Board of Education, Board members, officers, employees, volunteers, and agents) against and from any claims, demands, costs and expenses, including reasonable attorney's fees, arising from or in connection with the Student's use of the computer.

Electronic Device Warranty and Care Overview

Below is a summary of the warranty coverage for the electronic device that will be provided to your student free of charge. The parent/guardian agrees to pay for any charges incurred by the School District not covered by the warranty due to loss or damage.

<u>Electronic device Warranty</u> <ul style="list-style-type: none">• Just like a textbook or locker, District 15 owns the electronic device. Students are permitted to use it for educational purposes only.• Protects you and the District when students take the electronic device off campus• Warranty covers costs that exceed the deductible which is \$100.00• Total loss is only covered one time during the lifetime of the device for the \$100.00 deductible. Any additional total losses will be at the full replacement cost of the device.• It pays for direct physical loss of, or damage to, the device from any of the covered causes for loss that occurs within the U.S.	<u>What is Not Covered</u> <ul style="list-style-type: none">• Any damage resulting in repairs costing less than \$100• Neglect of the Keyboard, Power Adaptor or Electronic device bag/case resulting in damage, loss, or theft• Damage to your student's or another student's electronic device as a result of misbehavior• Multiple incidents in one year• Loss of the stylus
<u>Electronic device Care</u> <ul style="list-style-type: none">• Carry in device bag/case at all times• Charge nightly• Do not leave unattended (electronic device, keyboard and charger)• Avoid eating and drinking near electronic device	<u>Approximate Replacement or Repair Costs</u> <ul style="list-style-type: none">• Electronic device \$600• Stylus Pen \$40.00• Electronic device bag/case \$30.00• Charger \$40.00• Protection Guards (Bumpers) \$22.00-\$55.00
<u>Suggested Guidelines for Home Internet Safety</u> <ul style="list-style-type: none">• Parents should set and enforce rules for home Internet use• Have computer in a common room where it can be monitored• Time limit on Internet, instant messaging, social networking sites, online games, etc.• Parents should ask and know student's personal username and password• Parents should have access to and monitor student's e-mail and social networking• Check web browser history regularly
