

# Understanding MAP- Resources for Parents

## **A Parent's Guide to MAP**

<https://www.nwea.org/resources/a-parents-guide-to-map/>

## **NWEA Resources for Parents**

NWEA is the company that creates the MAP assessment. This link includes information about the MAP test as well as the MAP for Primary Grades assessment that Worthington uses.

<https://www.nwea.org/assessments/resources-for-parents/>

## **MAP for Primary Grades**

More specific information about the test given in grades K-2

<https://www.nwea.org/content/uploads/2014/08/MPG-Assessment-Content-Common-Core-Jul13.pdf>

## **MAP to Khan Academy**

NWEA (the company that created the MAP test) is now collaborating with Khan academy so that teachers, parents, and students can use a child's MAP score to create personalized online learning. More information is available at this link:

<https://www.nwea.org/content/uploads/2014/08/MPG-Assessment-Content-Common-Core-Jul13.pdf>

## **Comparative Data Chart**

This chart helps to make sense of MAP scores by looking at nationally normed scores by grade level.
