**CONGRATULATIONS!** You have decided to take on a significant challenge. AP United States History (APUSH) is a college level course covering everything that has ever happened in the United States...since 1491.

**DO NOT TAKE THIS CHALLENGE LIGHTLY.**

- If you think this class is going to be a breeze... think again.
- If you do not complete assignments... expect low grades.
- If you are not dedicated to accruing a wealth of knowledge about the United States through all time periods ... get it together.
- If you do not think you are up to the challenge... when will you?.

However, if you are willing to work hard and take a fully comprehensive look at United States History - you've come to the right place.

**BOOK:** *The American Promise*, ROARK. Our Guidance & Counseling Center will have extra copies of the textbook available over the summer.

**TASK:** Define each key term using only the textbook and the template below. These responses including key terms should be typed but don't need to be. Please copy the vocabulary term and then provide the definition. **This summer assignment is due by the end of the first week of school.**
