

# Chromebook Return

June 10, 2024

Every student needs to return their Chromebook, carrying case and power cord. For our 8<sup>th</sup> grade students, missing cases will result in a \$22 fine and power cords will result in a \$15 fine. For our 6<sup>th</sup> & 7<sup>th</sup> grade students, fines will not be assessed until the end of their 8<sup>th</sup> grade year (or if they withdraw from the school) for Chromebook chargers or cases. They are encouraged to locate the items over the summer.

Chromebooks will also be assessed fines for any damage to the screen, keyboard or the plastic part of the device. Students should have already reported any issues, PRIOR to turning the device in at the end of the school year.

Devices not returned at the end of the school year will also be locked by the district and unusable.

Preparation for Return:

- **Charging it fully the night before, to help with summer storage.**
- Wiping down the Chromebook with a computer cleaning wipe.  
Wrap your charging cord using the attached Velcro or a rubber band to secure it.

If you have any questions, please contact Mrs. Chang at [chang@skschools.org](mailto:chang@skschools.org).

# JUNE

<https://wa-southkitsap.intouchrecepting.com/>

or at the student store. Quantities are limited, order your copy today!

Hello families!

I am the school's student assistant professional. I work with kids that struggle with substance abuse, mental health issues, behavioral health as well as when a child has parents that are struggling with addiction.

I have been able to move to a larger space and in doing so I'd really like to get some resources going for the kids. My hopes are to start a clothing closet where kids can come in as needed if they need a pair of pants or a jacket if needed etc. Please consider donating new or gently use clothes to my program. I very much appreciate your support. Please reach out if you have any questions or contact me directly if you want to be donating. My phone number and e-mail is below. Thank you.

## News from the Nurse

Tdap requirement for students entering 7<sup>th</sup> grade next year:

In Washington State, the Tdap vaccine is required for school attendance in certain grades. The Tdap is a booster vaccine which continues to protect your child against the tetanus, diphtheria, and pertussis diseases they were immunized against as young child.

For students entering 7th grade, the Tdap vaccine must be given at or after age 10 to be accepted for school entry. To update your child's Tdap immunization record at the school, you will need to turn in a medically verified immunization record. Your child's health care provider can print this for you, or you can print it from MyIR, which is a free Department of Health online tool that allows families to view and print their official immunization records themselves.

Go to <https://wa.myir.net/register> to begin the sign-up process.
