We Appreciate You...

Thank you to the family of **Joan Solomon**. In her memory, they donated over \$250 worth of school supplies for students and staff in need.

Thank you to **Katrina Henry** and **Haven of Rest Ministries**. They donated 12 pairs of shoes for students in need! They also donated 60 care packs for students and families in need.

Thank you to **Don Morrison & Don Austin** of our APS Carpenter Department. They donated time over spring break to repair our school store cart!

Thank you to **Shannon Brown** of Child Guidance & Family Solutions. Her "Incredible Years" team provided classroom lessons this semester to our kindergarten classes, to support their social, emotional, and academic growth.

For the month of April, 312 (48%) of our students had an attendance rate of 95% or higher. These students will be awarded with special treats and prizes during the week of May 20th.

Be Sure to...

Check out our HJ website (harrisclc.akronschools.com) and the APS website (akronschools.com) for updates over the summer.

Soft Skill of the Month:

We are focusing on our 3 PBIS expectations for the rest of the year! As excitement is building for end-of-the-year activities and summer break, help us remind our students to make good choices, everywhere that they go.

Do the right thing.
Be Respectful
BE RESPONSIBLE
Be Safe

A Successful Buddy Program

Our kindergarten and 4th grade teams participated in a buddy program this school year where 4th graders visited the kindergarteners at the annex once each month. During the month of April, kindergarteners came to the main building for a transition visit. They were able to tour parts of the building, visit 1st grade classes, complete a scavenger hunt, have lunch, and pick a new book from the book vending machine! Check out a few pictures from the next page.

Save the Date - Fifth Grade Promotion Ceremony

Thursday, May 30th, we will celebrate the accomplishments of our 5th graders and wish them well as they plan to transition to middle school. Plan to join us in the Harris-Jackson cafeteria from 9am-10am for an awards program, a class song, and refreshments.

Summer Safety Tips

Summer break is right around the corner. We want everyone to have a safe summer, but we also want everyone to stay safe. Please check out tinyurl.com/1safesummer for important reminders about travel safety, stranger safety, crowd safety, swimming safety, bike safety, and more.
