*** Provide a description of administrative activities and personnel (including travel, supplies, and equipment used to administer the grant programs).**

The JCSD Federal Programs team consists of a Federal Programs Director, Federal Programs Coordinator, and a Federal Grant Accountant. The JCSD team will utilize organizational software to ensure proper administration of all Title programs. The team will travel to local, state, and national federal program conferences and/or trainings to remain informed of current trends, educational law updates, and other vital federal program information for the effective administration of all Title grants awarded to JCSD. Computers, laptops, tablets, printers, and other electronic devices will be used to manage the daily operations of the job and to effectively perform all required duties. All supplies purchased will be used to aid in the administration of the JCSD Federal Programs throughout the district.

JACKSON CO SCHOOL DIST (3000) Public District - FY 2021 - Consolidated - Rev 7 - Title I-A

Required Reservations and Other Instructional Initiatives

Amount

Homeless: (The homeless set-aside may be used to provide services to homeless students in Title I schools that are not ordinarily provided to other Title I students.)

2,844.71

1. Please describe how the LEA plans to spend this required set aside to help homeless students in both non-Title I and Title I schools take advantage of educational opportunities (for example, describing programming or services offered, staff, materials, etc.).

The Jackson County School District has board approved policies that cover the enrollment process for students with limited English proficiency, children with disabilities, migratory students, neglected and delinquent youth, and homeless children. Each school will follow these policies during the enrollment process and provide the proper documentation to the central office. Services for children who are homeless are provided by Title I, District, and Local Community groups. Title I funds are coordinated with other local and district funding to provide additional services, such as tutoring, supplies, uniforms, course fees, field trip fees, bookbags, etc. to homeless children and immigrant children to increase program effectiveness and reduce fragmentation of the instructional program

The JCSD will implement the following goals for the 20-21 school year.

The JCSD has the following goals and purposes for students who are homeless:

- Students will increase student achievement
- Students will achieve at the same rate as other children on state assessments.
- JCSD will meet the educational and physical needs (when appropriate) for the child.
- Tutorial services will be provided, when needed to perform academically.
- School supplies will be provided for children who are homeless.

Neglected: (See Allocations in MDE Document Library)

1. Please describe how the LEA plans to spend this required set aside to help children in local institutions for neglected children, and, if appropriate, children in local institutions for delinquent children, and neglected or delinquent children in community day programs (for example, describing programming or services offered, staff, materials, etc.).

Parent & Family Engagement for Public Schools: ((1% minimum for allocations above \$500,000) MINUS non-public amount. 90% of funds must be distributed to schools)

24,300.68

For LEAs receiving \$500,000 or more in Title I allocations:

- (1% of your Title I allocation) X (your K-12 public low-income enrollment / your K-12 total low-income enrollment) is \$24,300.68. Enter this amount as the required family engagement set-aside.
- Note that 90% of the public school amount (number above) is \$21,870.61 and must be distributed to your schools for family engagement activities.

1. Describe how the LEA will distribute 90 percent of this required set-aside to its Title I schools (with priority to high needs schools).

We will distribute all 91% of the required set-aside monies to the Title I schools for the following: supplies for Parent workshops, literacy night, parent/teacher communication folders, reading fair workshops with blackboards to be given to parents who attend, paper to print newsletters, resources for parent resource centers, curriculum presentations to introduce parents to technology, curriculum and resources.

2. Describe how the funds will be used on at least one of the following activities:

- **Supporting schools & nonprofit organizations in providing professional development for district & school personnel regarding parent & family engagement strategies.**
- **Supporting programs that reach parents & family members at home, in the community and at school.**
- **Disseminating information on best practices focused on increasing the engagement of economically disadvantaged parents and family members.**
- **Collaborating with community-based or other organizations or employers with a record of success in improving and increasing parent & family engagement.**
- **Engaging in other activities and strategies that the district determines are appropriate and consistent with the LEA parent & family engagement policy.**
ECL - To purchase materials for student activities during parent workshops.
ECU - Supplies for family reading night and family math night.

1. If making an optional district-level reservation not listed above, please describe how the LEA plans to use these funds (for example, describing programming offered, students to be served, staffing, materials, etc.)

This district-level reservation will be used to fund paraprofessionals, who are essential to helping teachers save valuable class time by working with students and helping them keep pace with their peers by using learned strategies and tools. These individuals will work under the direction of a certified teacher. They will be assigned a variety of roles in support of a specific student or a group of students. Some of their activities may include monitoring behavior, helping with academic accommodations and modifications, facilitating social interaction, and aiding the student in becoming an independent learner. The goal of the paraprofessional's work is to enable the student to become independent.

JACKSON CO SCHOOL DIST (3000) Public District - FY 2021 - Consolidated - Rev 7 - Title I-A

Program Guidance:

<http://www2.ed.gov/programs/titleiparta/index.html>

Administration (reasonable and necessary)

Provide a summary of how the Title I program is administered and which funds support these activities/personnel (Title I admin, consolidated admin (cost pool), local funds, etc.)

JCSD will fund 50% of the Federal Programs Director salary out of state and local funds, and the other half of the director's salary will come out of the Title programs. This percentage covers time spent training counselors on how to better serve students who are homeless and in foster care, overseeing the EL program, and coordinating all Title programs within the district. The Director also maintains funds from Title I homeless, District, and Community donations to ensure the physical and academic goals are met for all students who are homeless and keeps a record of all students who are homeless for reporting purposes. 100% of the Federal Programs Coordinator & 100% of the Federal Grant Accountant is paid from all Title funds which is organized in the Consolidated Cost pool.

Schools "Skipped" in Rank Order

For any school not served with Title I-A funds (marked as "skip school" on the School Eligibility page), please indicate the amount and source of state or local supplemental funds that are used to provide services to low-achieving students in lieu of the funds that would have been provided by Title I-A.

Title III English Learners Notice of Intent

JACKSON CO SCHOOL DIST (3000) Public District - FY 2021 - Consolidated - Rev 7 - Title I-A

Please select the appropriate option:

- The LEA is not eligible for Title III sub-grant funding due to an insufficient English Learner enrollment
- The LEA intends to apply for Title III sub-grant funding
- The LEA intends to decline Title III sub-grant funding

If declining Title III sub-grant funding, please provide an explanation of this decision.

We are declining the Title III funds because we use Title I funds to serve our EL student population.

Note: This notice assists the MDE in determining the final Title III program award. An intent to apply indicates that the LEA will accept supplemental funding for the Title III English Language Acquisition Program.

Program Assurances

JACKSON CO SCHOOL DIST (3000) Public District - FY 2021 - Consolidated - Rev 7 - Title I-A

*** The Local Educational Agency (LEA) hereby assures the State Educational Agency (SEA) that the LEA follows all regulations applicable for Title I-A, including those outlined below.**

1.	Ensure that migratory children and formerly migratory children who are eligible to receive Title I service are selected to receive services on the same basis as other children selected to receive Title I services. (1112(c)(1))
2.	Provide services to eligible children attending private elementary schools and secondary schools in accordance with section 1117, and timely and meaningful consultation with private school officials regarding Title I services. (1112(c)(2))
3.	Participate, if selected in the National Assessment of Education Progress in reading and mathematics in grades 4 and 8. (1112(c)(3))
4.	Coordinate and integrate services with other educational services at the local educational agency or individual school level, such as services for English learners, children with disabilities, migratory children, American Indian, Alaska Native, and Native Hawaiian children, and homeless children and youths, in order to increase program effectiveness, eliminate duplication and reduce fragmentation of the instructional program. (1112(c)(4))
5.	Collaborate with the state or local child welfare agency to designate a point of contact if the corresponding child welfare agency notifies the local educational agency, in writing, that the agency has designated an employee to serve as a point of contact for the local educational agency. (1112(c)(5)(A))
6.	Develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arranged, and funded for the duration of the time in foster care, which procedures shall: (i) ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with section 475(4)(A) of the Social Security Act (42 U.S.C. 675(4)(A)); and (ii) ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the local educational agency will provide transportation to the school of origin if- (I) the local child welfare agency agrees to reimburse the local educational agency for the cost of such transportation. (II) the local educational agency agrees to pay for the cost of such transportation; or (III) the local educational agency and the local child welfare agency agree to share the cost of such transportation; and
7.	Ensure that all teachers and paraprofessionals working a program supported with funds under this part meet applicable state certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification. (1112(c)(6))
8.	Ensure that services to provide early childhood education services to low-income children below the age of compulsory school attendance comply with performance standards established under 641A(a) of the Head Start Act (42 U.S.C. 9836a(a)).
9.	Establish and implement a district-wide salary schedule, a policy to ensure equivalence among schools in teachers, administrators and other staff, and policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies. (1118(c)(2)(A))
10.	Demonstrate that the methodology used to allocate state and local funds to each school receiving Title I funds ensures that such schools receive all of the state and local funds it would otherwise receive if it were not receiving Title I funds. (1118(b)(2))
11.	Conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in Title I programs with meaningful consultation with parents. (1116(a)(1))
12.	Jointly develop with, agree on with, and distribute to, parents and family members of Title I participating children a written parent and family engagement policy. (1116(a)(2))

13.	Involve parents and family members of Title I participating children in the decisions regarding how funds reserved for parent and family engagement are allotted for parental involvement activities. (1116(a)(3)(B))
14.	Notify parents of students attending Title I school at the beginning of each school year of the parents' right to request and receive in a timely manner, information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following: (i) whether the student's teacher-(1)has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; (II) is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived; and (III) is teaching in the field of discipline of the certification of the teacher; (ii) whether the child is provided services by paraprofessionals and their qualifications. (1112(e)(1)(A))
15.	Provide to each individual parent of a child in a Title I school, information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under this part; and timely notice that the student has been assigned, or has been taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area in which the teacher has been assigned. (1112(e)(1)(B))
16.	Notify, by the beginning of each school year, parents of students attending Title I schools of their right to request and receive in a timely manner, information regarding any state or local educational agency policy regarding student participation in any assessments mandated by section 1111(b)(2) and by the state or local educational agency, which shall include a policy, procedure, or parental right to opt the child out of such assessment, where applicable. (1112(e)(2)(A))
17.	Post on the local educational agency's website and, where practicable, on the website of each school serviced by the local educational agency, for each grade served by the local educational agency, information on each assessment required by the state to comply with section 1111, other assessments required by the state, and where such information is available and feasible to report, assessments required districtwide by the local educational agency, including: (i) subject matter to be assessed; (ii) purpose for which the assessment is designed and used; (iii) the source of the requirement for the assessment; and (iv) where such information is available. (1112(e)(2)(B))
18.	Use Title I funds to supplement the funds that would, in the absence of such federal funds, be made available from state and local funds to each school receiving Title I funds. (1118(b)(1))
19.	Demonstrate compliance with Section 1118(b)(1), within two years of the enactment of the Every Student Succeeds Act, through a methodology used to allocate state and local funds to each school receiving Title I funds to ensure that each school receives all of the state and local funds it would otherwise receive if it were not receiving Title I funds. (1118(b)(2), 1118(b)(5))
20.	Maintain the local educational agency's fiscal effort in accordance with Section 8521. (1118(a))
21.	Provide services to Title I schools that, taken as a whole, are at least comparable to services in schools that are not receiving Title I funds. (1118(c)(1)(A))
22.	Develop a written assurance that the local education agency has established and implemented an agency-wide salary schedule, a policy to ensure equivalence among schools in teachers, administrators and other staff, and a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies. (1118(c)(2))
23.	Each local school district shall be required to develop and publish an annual report as prescribed by the State Board of Education. By November 1 of each year, as prescribed by the State Board of Education, the report shall be published in a newspaper having general circulation in the county and posted on the school district's website in a printable format. The public notice shall include information on the report's availability on the district's website, with the website address, and the location(s) in the school district where a copy of the report can be obtained.

Title II funds will be used to fund an instructional coach and instructional technologist at the elementary level and to fund an instructional coach and instructional technologist at the secondary level. The instructional coaches and instructional technologists will provide support to teachers who lack effectiveness in their instruction and instructional technology. Both instructional coaches and instructional technologists will support and mentor new teachers. They will work with school and grade level PLC's to monitor student progress and determine instructional effectiveness and ensure that teachers know how to utilize technology effectively. Moreover, Title II funds will be used to fund a portion of the Fablab manager position. The Fablab manager will be responsible for providing professional development and continuous growth of teachers to stay abreast of current STEM/STEAM technologies and assist in the implementation of such technologies into the curriculum framework in a way that contributes to a high performance among students in the district and reflects current Mississippi mandated curriculum standards. The manager will provide teachers with an opportunity to learn and practice problem-based learning (PBL) teaching methods. Collaboration and assistance will be given to classroom teachers as they seek to implement hands-on, problem based learning opportunities that incorporate STEM software, tools, and equipment into the classroom curriculum and monitor such implementation. These employees will support the district and school initiatives through administrative, instructional, instructional support, and clerical duties.

JACKSON CO SCHOOL DIST (3000) Public District - FY 2021 - Consolidated - Rev 7 - Title IV-A

1. Please describe how the LEA plans to use these funds.

JCSD will use Title IV funds to improve student academic achievement by providing students with access to a well-rounded education and support healthy school conditions for student learning and improve the use of technology to improve the academic achievement and digital literacy of students and teachers. 1. The district will use at least 20% of the Title IV funds to increase the number of students who take dual enrollment classes by paying the fee required by colleges and AP courses by paying the assessment fee. This will allow all students to participate regardless of income level. In addition, classes that help students prepare for the ACT assessments will be provided. (Well-rounded education) 2. The district will use 20% to provide specific programs to ensure safe and healthy environment such as bullying prevention, suicide prevention, social media awareness and active shooter awareness. Applies to All ESEA Programs Included in this Application

*** Any applicant, other than a State educational agency that submits a plan or application under this Act shall have on file with the State educational agency a single set of assurances, applicable to each program for which a plan or application is submitted, that provides that-**

1.	each such program will be administered in accordance with all applicable statutes, regulations, program plans, and applications;
2.	<ol style="list-style-type: none"> a. the control of funds provided under each such program and title to property acquired with program funds will be in a public agency or in a eligible private agency, institution, organization, or Indian tribe, if the law authorizing the program provides for assistance to those entities; and b. the public agency, eligible private agency, institution, or organization, or Indian tribe will administer the funds and property to the extent required by the authorizing statutes;
3.	the applicant will adopt and use proper methods of administering each such program, including- <ol style="list-style-type: none"> a. the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program; and b. the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation;
4.	the applicant will cooperate in carrying out any evaluation of each such program conducted by or for the State educational agency, the Secretary, or other Federal officials;
5.	the applicant will use such fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, Federal funds paid to the applicant under each such program;
6.	the applicant will- <ol style="list-style-type: none"> a. submit such reports to the State educational agency (which shall make the reports available to the Governor) and the Secretary as the State educational agency and Secretary may require to enable the State educational agency and the Secretary to perform their duties under each such program; and b. maintain such records, provide such information, and afford such access to the records as the State educational agency (after consultation with the Governor) or the Secretary may reasonably require to carry out the State educational agency's or the Secretary's duties; and
7.	before the application was submitted, the applicant afforded a reasonable opportunity for public comment on the application and considered such comment.
8.	Keep such records, and provide such information to the SEA, as may be reasonably required for fiscal audit and program evaluation.
9.	Use these funds to supplement the funds that would, in the absence of such Federal funds, be made available from non-Federal sources and not supplant such funds.
10.	Maintain control of program funds provided to the LEA and title to property acquired with those funds.
11.	Recognize that SEA approval of an application does not relieve the LEA of its responsibility to comply with all applicable requirements.

12.	Comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and in accordance with Title VI of that Act, no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures to effectuate this agreement.
13.	Comply with Title VII of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1978; Certifications regarding Lobbying, Debarment and Other Responsibility Matters, and Drug-Free Workplace Requirements; and Certification regarding Disclosure of Lobbying Activities.
14.	Maintain fiscal effort in accordance with section 9521, which states, "The combined fiscal effort per student or the aggregate expenditures of the agency with respect to the provision of free public education by the agency for the preceding fiscal year was not less than 90 percent of the combined fiscal effort or aggregate expenditures for the second preceding fiscal year."
15.	Comply with section 9501 regarding participation by private school children and teachers.

Educational Rights and Privacy for Parents and Students

The Board of Education will comply with all the privacy protections afforded parents and students under section 444 of the General Education Provisions Act (20 U.S.C. 1232g), as added by the Family Educational Rights and Privacy Act of 1974 (section 513 of Public Law 93-380; 88 Stat. 571).

Termination of Employment and Unpaid Leave

Upon termination, any leave balance paid to a federally funded employee above the amount of leave earned in the current project shall NOT be paid from Federal Funds (2CFR200.431).

Certification Regarding Constitutionally Protected Prayer in Public Elementary and Secondary Schools

As a condition of receiving ESEA funds, certification is required by Section 8524 of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act. Guidance issued February 7, 2003 by the U. S. Department of Education regarding this policy may be accessed on the web at: www.ed.gov/inits/religionandschools/prayer_guidance.html

The LEA certifies to the SEA that no policy prevents or otherwise denies participation in constitutionally protected prayer in public schools.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by 2CFR Section 180.300 (applicable to U.S. Department of Education programs through 2CFR Part 3485)

Certification

The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective particular participant shall attach an explanation to this proposal.

Equity for Students, Teachers, and Other Program Beneficiaries

Section 427 of the General Education Provision Act requires LEAs to describe in their applications the steps they propose to take in order to ensure access to education and promote educational excellence by:

"(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards."

Therefore, the LEA will ensure equitable participation in all local-level programs by students, teachers, and other beneficiaries with special needs through the following activities:

- Ensuring that all training for teachers and others who will conduct parental involvement activities is accessible to all participants and includes strategies for increasing access to the school and its activities for all parents regardless of disability or language spoken.
- Including accessibility guidelines as part of the criteria for effective professional development activities provided throughout the LEA as well as by federal programs.
- Using the LEA computer network to disseminate information to all constituents.
- Providing technical assistance through on-site visits to verify that equitable practices are being followed by schools.
- Including written statements in communications that advertise LEA-level activities to ensure that all necessary accommodations are made for equitable participation by constituents.
- Maintaining special task forces to formulate policy for coordination of programs to ensure equitable access of all student populations, including disadvantaged students, students with disabilities, students with emerging English skills, migrant students, homeless, neglected, or delinquent students, and others.
- Implementing other activities as appropriate. (Specify)

Title I, Part C - Education of Migratory Children

* The Local Education Agency (LEA) hereby assures the State Education Agency (SEA) that the LEA will:

Assist the State in its efforts to comply with Section 1304 (b)(3) of the statute, timely transfer of pertinent migrant student records; and Section 1304 (c)(7), identification of all migrant students in the State, and Section 1308(b)(2) of the statute, electronic exchange of health and educational migrant information; by

1. Distributing the Migrant Occupational Survey to all families new to the district and forwarding to the State as directed,
2. Indicating Migrant status in the LEA's data system, and
3. Submitting completed Individual Student Record (ISR) forms (within 14 days) as the student withdraws from the district mid-year or at the end of the school year for migrant students who remain enrolled on the last day of school.

Title IX, Part A - McKinney-Vento Homeless Assistance

* The Local Education Agency (LEA) hereby assures the State Education Agency (SEA) that, if participating in the Title IX, Part A Program, the LEA will:

1.	The State educational agency and local educational agencies in the State will adopt policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless.
2.	The local educational agencies will designate an appropriate staff person, able to carry out the duties described in paragraph (6)(A), who may also be a coordinator for other Federal programs, as a local educational agency liaison for homeless children and youths.
3.	The State and the local educational agencies in the State will adopt policies and practices to ensure that transportation is provided, at the request of the parent or guardian (or in the case of an unaccompanied youth, the liaison), to and from the school of origin (as determined under paragraph (3)), in accordance with the following, as applicable: <ul style="list-style-type: none"> a. If the child or youth continues to live in the area served by the local educational agency in which the school of origin is located, the child's or youth's transportation to and from the school of origin shall be provided or arranged by the local educational agency in which the school of origin is located. b. If the child's or youth's living arrangements in the area served by the local educational agency of origin terminate and the child or youth, though continuing the child's or youth's education in the school of origin, begins living in an area served by another local educational agency, the local educational agency of origin and the local educational agency in which the child or youth is living shall agree upon a method to apportion the responsibility and costs for providing the child or youth with transportation to and from the school of origin. If the local educational agencies are unable to agree upon such method, the responsibility and costs for transportation shall be shared equally. c. The State and the local educational agencies in the State will adopt policies and practices to ensure participation by liaisons described in clause (ii) in professional development and other technical assistance activities provided pursuant to paragraphs (5) and (6) of subsection (f), as determined appropriate by the Office of the Coordinator.
4.	In addition, this was added in ESSA for LEAs: <ul style="list-style-type: none"> a. An assurance that the local educational agency will collect and promptly provide data requested by the State Coordinator pursuant to paragraphs (1) and (3) of section 722(f). b. An assurance that the local educational agency will meet the requirements of section 722(g)(3). c. An assurance that the local educational agency will meet the requirements of section 722(2)(c).

Consolidated Checklist

JACKSON CO SCHOOL DIST (3000) Public District - FY 2021 - Consolidated - Rev 7 - Consolidated Checklist

This checklist is a means of communication between the MDE and LEAs regarding the allowability and allocability of the items submitted in the funding application. Please follow the steps below to ensure that the funding application contains items that are in compliance with program requirements.

- After the LEA submits the application, the MDE will review the application and mark each section as OK, Not Applicable, or Attention Needed. If the application contains no items that are marked as Attention Needed, the application will be approved.
- If the application contains items that are marked as Needs Attention, the application will be returned to the LEA with a status of not approved. The LEA will review the checklist for items that are marked Attention Needed and make the necessary changes to those items. Only the checked items in the sections marked Attention Needed are to be corrected and/or explained. Each section marked Attention Needed also has a place where the MDE may provide notes to explain items needing attention. The LEA should check for notes and additional comments.
- Once the LEA has made the necessary adjustments, the LEA will resubmit the application for approval. If the MDE determines that the item has been corrected, Attention Needed will be changed to OK by the MDE Reviewer. If the items needing attention still have not been corrected, the application will be returned again to the LEA with a status of Not Approved.
- Applications that contain no items that are marked Attention Needed will be approved.
