"The highest states-of awe and joy, meaning and creativity- emerge from this bittersweet nature of reality. We experience them not because life is perfect, but because it is not."

-Susan Cain

As we very quickly come to the end of this school year we wanted to make sure you ALL know how much we have enjoyed working with you. It is bittersweet, this retirement thing, and while we look forward to it we also know it will be difficult to replace the many friendships, the laughter and the stories that Mariposa brings.

Thank you for who you are and what you do.

Mary and Lori
