

## **GPD Selected as Project Architect**

The Bedford Board of Education selected GPD as the project architect. GPD has a long history of excellence in designing educational facilities. GPD's skills lie at the intersection of education and architecture, meeting the constantly evolving needs of teaching and learning and preparing the students of today for the challenges of tomorrow.

GPD has expertise in all construction procurement methods, has more than 70 school district clients, and has worked with Bedford City Schools for more than a year. GPD will now work with the district to design and execute an engagement strategy that will ensure stakeholders will have a voice in the final design and decisions for the project.
