Projection 2024-25 Survey (if you have not responded)

We are in the process of preparing class student rosters for the 2024-25 school year. The primary factor in determining our needs, in terms of both personnel and materials/supplies, is accurate projections of our student enrollment. ONE PER FAMILY

May Recap

Celebrating Our Staff

Each May, the Edison Township Board of Education celebrates the District staff members who were named Teacher of the Year and Educational Service Professional of the Year for each school. This year, WES named Mrs.Pavlichko and Mrs.Sarella as our recipients, respectively.

A huge thank you to all our specials teachers for preparing our students and executing fabulous end of year events! The Art Show, Spring Concert, and Fun Day are always fun events for our students!

Art Show

Wow! Our hallways were full of artwork that Mrs.Conte has collected over the year. Each student at WES had something represented for their families to see. This year we had an extra special guest with Ms.Obando's father doing live sketches of some lucky students. All around, a wonderful event, Mrs.Conte!

Spring Concert

Congratulations to Mrs. Rokosz and Mr. Mosley on an amazing spring concert! Thank you to Thomas Jefferson Middle School for being our venue for the evening. We appreciate all the hard work and dedication our 4th and 5th grade students and families put in to get ready for the concert.

Field Trip Recaps

Through Title I and PTO monetary contributions, every student at WES was able to join their classmates on a field trip.
