

## 7-12 Principal's Update

June 2024

I hope all of you are enjoying a little much-needed sunshine! Final exams are upon us! Attached to this email you will find the In-class Final Exam Schedule as well as a schedule with upper level Final Exams and Regents Exams.

Please note the last full day of classes for 7-12 students is Thursday, June 13th. Students in grades 7-12 should only report June 14th-June 25th if they have to complete a Final Exam or Regents Exam listed on the corresponding date. There is no school on Wednesday, June 19th, in observation of Juneteenth.

Busing will still be provided for final exams and Regents examinations. Buses will be picking up the regular route but, there won't be as many students reporting each day so they will most likely be arriving at stops earlier than normal. Therefore, as a precaution all students who need morning transportation, need to be at their stop at 7:05 am, which may be different than their regular time.

If students need to come in for an afternoon exam on any of these days they should report to their regular bus stop at 11:15 am. Buses will be bringing students home from exams at the end of each session as needed. If you feel you missed the bus and need to be picked up, call the main office at: (315)768-8124 and let us know.

Attention Seniors- Senior Breakfast is scheduled for the morning of Friday, June 13th it will be followed by the Senior class's final walk through the halls of NY Mills UFSD, so don't forget your cap and gown! In the afternoon the Senior picnic will take place and students will receive 10 graduations tickets per student. If they are not all needed, please return extras to the main office for those who may need additional tickets. Additional tickets will be disseminated from a waiting list upon request.

The Senior Trip to Boston is scheduled for Saturday, June 15th & Graduation is Friday, June 21st in the Auditorium at 6:00pm. There will be more information regarding rehearsal from Mr. Famolaro in the coming days.
