

## Crossroads Montessori Family-Friendly SCIP 2023-2024

Crossroads Montessori is focused on raising the academic achievement scores for each student. Building academic and behavioral foundational skills is our primary area of focus. Students will experience this focus in different ways:

<b>Reading</b>	<p>Students in K-5 will be taught explicit, systematic, sequential foundational skills in literacy.</p> <p>Students will receive differentiated literacy instruction based on student need.</p> <p>Teachers will receive ongoing professional development in literacy.</p>
<b>Math</b>	<p>Students in K-5 will be taught explicit, systematic and sequential core math instruction.</p> <p>Students will receive differentiated math instruction based on student need.</p> <p>Teachers will receive ongoing professional development in HMH math curriculum.</p>
<b>Schoolwide Culture and Climate</b>	<p>All classrooms will teach students school wide expectations proactively, give all students many opportunities for practice, and allow students to fix their mistakes while welcoming them back into the classroom.</p> <p>All students will be invited to take a survey about their school and class in their classroom. These results will be used to guide school and class-wide decisions</p>

Si usted tiene algunas preguntas, por favor llame a Vilma Bezek 744-4624.

*Saint Paul Public Schools engages in a process of continuous improvement. At the school level, a major tool in the improvement process is the School Comprehensive Improvement Plan (SCIP). The SCIP is a strategic document that district schools utilize to identify annual improvement priorities at each school.*
