### FOUNDATIONAL SKILLS & KNOWLEDGE

#### Connection to Portrait of Learner Profile:

Preschool and Elementary - Thinker  
Middle School - Resilient Learner  
High School - Resilient Learner

**Goal:** We will prepare students to be successful in an ever changing economy by equipping students with foundational knowledge and skills that support lifelong learning.

#### Strategies:

##### Reading

Work on the top of Scarborough's rope language processing/comprehension strategies to better align comprehension and writing activities to evidence based, standards driven strategies.

##### Writing

Ensure students learn to use specific techniques that are aligned to the different purposes of writing.

##### Mathematics

Align instruction to Ohio content and practice standards as well as district curriculum maps.

## WELL ROUNDED CONTENT

### Connection to Portrait of Learner Profile:

Preschool and Elementary - Thinker  
Middle School - Global Thinker  
High School - Critical Thinker

**Goal:** We will expose students to a broad range of subjects and disciplines beyond foundational knowledge and skills to allow students to explore and identify their passions and aspirations, as well as discover connections and relationships among ideas and concepts.

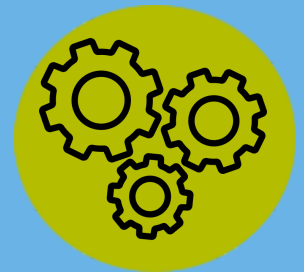

### Strategies:

Use informational text in all content areas so students read to learn and extrapolate information that extends learning

## LEADERSHIP & REASONING

### Connection to Portrait of Learner Profile:

Preschool and Elementary - Leader  
Middle School - Solution Seeker  
High School - Adaptable Leader

**Goal:** We will prepare students to be successful in an ever-changing economy by equipping students with leadership and reasoning skills that support lifelong learning.

### Strategies:

Create opportunities for problem solving of real life applications across content areas.

## CITIZEN & SELF

### Connection to Portrait of Learner Profile:

Preschool and Elementary - Friend  
Middle School - Kind, Empathetic Friend

**Goal:** We will prepare students to be successful in an ever-changing economy by equipping students with a strong citizenship and sense of self that supports lifelong learning.

**Strategies:**

Building teams (including teachers, mental health specialists, counselors administrators and support staff) will utilize MTSS process to brainstorm ideas and link students with appropriate supports to build SEL skills
