Mission Statement

PSJA ISD's mission is to develop, in collaboration with the home and community, the potential of all learners to become participating and productive members of society. The district accomplishes this by providing a comprehensive, quality instructional program that is equitable and accessible to all.

What We Believe In

Guiding Principles

- Commitment to Greatness
- Passion For our Work
- Live the Golden Rule
- No Excuses
- Accountability

What We Want to Accomplish

Every student will graduate bi-literate, college ready, college connected, and college complete.

THE STATE OF TEXAS PUBLIC EDUCATION MISSION, ACADEMIC GOALS AND OBJECTIVES

THE STATE OF TEXAS PUBLIC EDUCATION MISSION

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.

GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.

GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.

GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Title I, Part A School wide components

- 1. A comprehensive needs assessment of the entire school(including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).**
- 2. School wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.**
- 3. Instruction by highly qualified teachers.**
- 4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.**
- 5. Strategies to attract high-quality teachers to high-need schools.**
- 6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.**
- 7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.**
- 8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.**
- 9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.**
- 10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.**

Cesar Chavez ELEMENTARY SCHOOL
"Si Se Puede"
OUR VISION

"College Ready, College Connected, College Complete"

The faculty and staff of Cesar Chavez Elementary School will offer all students a challenging high quality curriculum and will provide an effective delivery system to ensure that all students meet campus performance objectives standards on the subjects of math, reading, writing and science.

Cesar Chavez Elementary staff, parents and community will work united to develop a safe school environment that is conducive to student success. The culmination of our efforts is to instill in our students a lifelong love of learning thus leading to "College Ready, College Connected, College Complete".

Demographics Summary

Special Education:

The following accountability sources were used to review the Special Education data by the Campus Site-Based Decision Making Committee (SBDM): State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and State Performance Plan (SPP) indicators to determine strengths and needs of our Special Education students. In addition, the Special Education Department was very involved in the curriculum writing and revision for grades K-5 during the summer to ensure that the general curriculum meets the needs of our special education students. Professional development is also coordinated with the curriculum and instruction department to ensure that all general education teachers are well versed in best practices that support the learning of special education students.

Needs:

Note: Insufficient Data was available to evaluate Special Education Group Performance due to state not including STAAR A on the 2015 Accountability Report.

Personnel Needs:

Campus Administrators will work closely with Human Resources (HR) to ensure the selection of highly qualified employee(s) holding valid state issued certification.

Professional Development Needs:

Special Education Staff will be included in all Professional Development (PD) provided by the campus/district in the areas that are to be addressed by individual students. The Special Education Department will work closely with the Campus and provide PD in the area of co-teaching to implement the inclusion model effectively.

English Language Learners (ELL):

The following accountability sources were used to review the Bilingual Education/Dual Language (BE/DL) Department data by the SBDM Committee: State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and TELPAS indicators to determine strengths and needs of our ELL students. The BE/DL Department was very involved in the curriculum writing and revision for grades K-5 during the summer to address the needs of our ELL students and align the curriculum between English and Spanish Language Arts that led to a more coherent and consistent bi-literacy program. Professional development was also coordinated with the curriculum and instruction department to ensure that all general education teachers utilize best practices that support the learning of ELL students.

Needs:

As evidenced in the STAAR assessments , the results are as follow:

Reading 70% (75% All Students)

Math no data available

Writing 71% (73% All Students)

Science 79% (79% All Students)

- In Science, there is no achievement gap between ELL and All Students 2014-2015.
- In Mathematics, there is no data to compare
- In Writing, the achievement gap between ELL and All students 2014-2015 is 2%.
- In Reading, the achievement gap between ELL and All students 2014-2015 is 5%.
- The Elementary School TELPAS Yearly Progress Indicator was 52% in 2014 and maintained at 47% in 2015.
