John McKeever Improvement Plan 2015-2016

Board Approved:

Mission Statement

At John Henry “Jack” McKeever Elementary we commit ourselves to the fundamental principle that we will make a difference through positive actions, rigor and relevance. Our top priority is for all students to attain academic excellence to be college prepared. In the course of our endeavor as professional educators we will afford all students the opportunity to excel to their fullest potential with a curriculum that is child-centered with emphasis on creativity, self-motivation and critical thinking. Furthermore, commitment from administrators, teachers, parents, students and the community will be an integral part in attaining our school vision.

What We Believe In

We believe our students are the future. Together with administrators, teachers, parents and the community we will provide the scaffolding upon which to build that future.

What We Want to Accomplish

We are committed to provide students with a safe, nurturing environment in which all students can reach their fullest social, emotional and academic potential. Our goal is to empower life-long learners to become responsible and productive citizens. We want every student to graduate bi-literate and be college ready, college connected, and college complete.

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.

GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.

GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.

GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Title I, Part A
School wide Components:

- 1. A comprehensive needs assessment of the entire school(including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).**
- 2. School wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.**
- 3. Instruction by highly qualified teachers.**
- 4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.**
- 5. Strategies to attract high-quality teachers to high-need schools.**
- 6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.**
- 7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.**
- 8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.**
- 9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.**
- 10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.**

Special Education:

The following sources from the campus were used to review the Special Education data by the campus staff: State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS), and system safeguards indicators to determine strengths and needs of our Special Education students. In addition, the Special Education Department was very involved in the curriculum writing and revision for grades K-12 during the summer to ensure that the general curriculum meets the needs of our special education students. Professional development is also coordinated with the curriculum and instruction department to ensure that all general education teachers are well versed in best practices that support the learning of special education students.

Needs:

System Safeguards Data: No results available for Special Ed.

In STAAR Writing, the passing rate at McKeever was **0%**.

Personnel Needs:

The McKeever Elementary Administration must work closely with the human resource department to ensure that highly qualified teachers and instructional assistants are recruited, hired, and placed in the appropriate educational setting and to implement the inclusion model effectively.

Professional Development Needs:

McKeever Elementary must work closely with the Curriculum and Instruction Department and provide PD in the area of co-teaching to implement the inclusion model effectively.

English Language Learners (ELL):

The following sources from the campus were used to review the Dual Language/English as a Second Language (DL/ESL) Department data by the campus staff: State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and TELPAS indicators to determine strengths and needs of our ELL students. The McKeever Elementary Administration also worked closely with the human resource department to ensure that highly qualified teachers and instructional assistants were recruited, hired, and placed in the appropriate educational setting. Each curriculum and instruction central office administrator by campus type was also assigned an English Language and Spanish Language Development coach to enhance bi-literacy. In addition, the DL Department was very involved in the curriculum writing and revision for grades K-12 during the summer to address the needs of our ELL students and align the curriculum between English and Spanish Language Arts that led to a more coherent and consistent bi-literacy program. Professional development was also coordinated with the curriculum and instruction department to ensure that all general education teachers utilize best practices that support the learning of ELL students.

Needs:

As evidenced in the STAAR assessments , the results show an achievement gap as follows:

- In Reading, the achievement gap between ELL and All students 2014-2015 is 3%.
- In Mathematics, the achievement gap between ELL and All students 2014-2015 is 4%.
- In Science, the achievement gap between ELL and All students 2014-2015 is 6%.
- In Writing, the achievement gap between ELL and All students 2014-2015 is 7%.

2015-2016 Campus Goals

- The following charts do not reflect the State Accountability results because they include district data collected from all of the assessments that the state will use for the state accountability ratings in 2015-2016 (STAAR, STAAR A, STAAR ALT 2, STAAR L), including the mathematics 3-8, and all populations. During the 2015-2016 school year, the STAAR A, and STAAR Alt 2, as well as the mathematics 3-8 were excluded.
- This will allow us to analyze our needs and set attainable goals for the 2015-2016 school year.
