

PHARR-SAN JUAN-ALAMO INDEPENDENT SCHOOL DISTRICT

**Campus Improvement Plan  
2018-2019  
Vida N. Clover Elementary**

Board Approved:

## Mission Statement

The mission of Clover Elementary is to develop the academic, cultural, and social potential of all students by implementing an instructional program focused on excellence. We will accomplish this through collaborative efforts between the school, home and community.

At Clover Elementary School we see an environment that is conducive to learning, characterized by cooperation and demonstrate good citizenship. This environment is supported by a curriculum that is child-centered with emphasis on high order thinking skills, creativity, and self-motivation. The curriculum is supported by resources and technology provided by dedicated and committed administration, staff, parents, and community. This vision will ultimately foster students, who are able to solve problems, be self-sufficient and demonstrate positive self-esteem.

## ***What We Believe In***

### ***Guiding Principles***

- Commitment to Greatness
- Passion For our Work
- Live the Golden Rule
- No Excuses
- Accountability

## ***What We Want to Accomplish***

Every student will graduate bi-literate, college ready, college connected, and college complete.

## **THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS**

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

### **THE STATE OF TEXAS PUBLIC EDUCATION GOALS**

- GOAL #1:** The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
- GOAL #2:** The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL #3:** The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL #4:** The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

### **THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES**

- Objective #1:** Parents will be full partners with educators in the education of their children.
- Objective #2:** Students will be encouraged and challenged to meet their full educational potential.
- Objective #3:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.
- Objective #4:** A well-balanced and appropriate curriculum will be provided to all students.
- Objective #5:** Qualified and highly effective personnel will be recruited, developed, and retained.
- Objective #6:** The state's students will demonstrate exemplary performance in the comparison to national and international standards.
- Objective #7:** School campuses will maintain a safe and disciplined environment conducive to student learning.
- Objective #8:** Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.
- Objective #9:** Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

## **Title I, Part A**

### **School wide Components:**

1. A comprehensive needs assessment of the entire school (including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.
5. Strategies to attract high-quality teachers to high-need schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.
