

**Palmer Elementary
Campus Improvement Plan
2021-2022**

Board Approved:

2021-2022 Executive Summary

- **Mission:** The mission of Geraldine Palmer Elementary is to provide highly qualified personnel to meet the needs of all student populations on our campus. Our goal is to prepare students with life-long skills by building on learning opportunities in the areas of academic, cultural, technological and social programs. Our school, parents, and community are committed to making sure all students strive for the highest standards of excellence in education.
- **Demographics Summary:** The current enrollment of Geraldine Elementary as of October 2020 is 688 students. The student population at Geraldine Palmer Elementary consists of 98.5% Hispanic and 1.4% White. Students classified as low socio-economic status is 86.2% and 0.4% migrant students and a % of mobility. Approximately 10% of our student population receive special education services, while 3% receive accommodations under 504. Our Gifted and Talented population accounts for approximately 2% of our student population. The bilingual population is approximately 60% where most of the students' home language is Spanish. The average attendance rate for the campus is 98%.
- **Comprehensive Needs Assessment Summary:** Geraldine Palmer Elementary received an A on the TEA Accountability Rating system, which translates to 90 out of 100 based on the performance in three different areas, or domains. In the Student Achievement domain, Geraldine Palmer earned a 90, which measures student achievement and mastery of TEKS. Palmer earned an 80 in the School Progress Domain Part A and a 91 for Part B. This indicates how students at Geraldine Palmer Elementary perform over time and how that growth compares to similar schools. Geraldine Palmer scored 100 in Closing the Gaps, the domain that shows how well subpopulations of students perform within a school.
- **Curriculum/Instruction and Assessment:** Teachers utilize district adopted curriculum and strategies (i.e. Diana Ramirez, Forde Ferrier) to teach reading with a focus on teaching metacognitive strategies. Students that show need participate in a school-wide intervention period to close the reading fluency gap. Palmer Elementary offers dual-language classes in all grade levels. Our goal is to create a campus of fluent readers who demonstrate above average comprehension in their ability to make connections and inferences about the texts they read. Our focus will be on teaching students to share their ideas about what they read through the development of metacognitive and 21st century skills.
- **Summary of Goals:** The Goal of Geraldine Palmer Elementary is to improve student achievement and student progress in Domain I and Domain II. We will do this through the implementation of campus and district systems such as 504, RTI, Imagine Learning, iStation, Voyager, Summit K-12, and DMR. We will increase student mastery of grade level TEKS by utilizing TEKS based, data driven instruction; thus, increasing the number of all students scoring at the Meets or Masters level on STAAR. Geraldine Palmer Elementary will also increase the number of students that are reading on level by second grade. Palmer Elementary will also increase the use in the AR program to promote literacy throughout our school. In addition, we plan to increase participation in the Dual Language Program and increase the consistency of our intervention hour to help students reach their academic goals.

Demographics Summary Continued:

English Learners (EL):

The following sources from across the district were used to review the Bilingual Education/Dual Language (BE/DL) Department data by the District Education Improvement Council: State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS), and TELPAS indicators to determine strengths and needs of our EL students. The BE/DL Department also worked closely with the human resource department to ensure that highly qualified teachers and instructional assistants were recruited, hired, and placed in the appropriate educational setting. Each curriculum and instruction central office administrator by campus type was also assigned an English Language and Spanish Language Development Coach to enhance biliteracy. In addition, the BE/DL Department was involved in the curriculum writing and revision for grades K-12 during the summer to address the needs of EL students and align the curriculum between English and Spanish Language Arts, which led to a more coherent and consistent biliteracy program. Professional development was also coordinated with the curriculum and instruction department to ensure that all general education teachers utilize best practices that support the learning of EL students.

Needs:

As evidenced in the STAAR assessments , the results show an achievement gap as follows:

- In 3rd grade Math, the achievement gap between EL and all students 2018-2019 is 1%.
- In 4th grade Reading, the achievement gap between EL and all students 2018-2019 is 4%.
- In 4th grade Math, the achievement gap between EL and all students 2018-2019 is 5%.
- In 4th grade Writing, the achievement gap between EL and all students 2018-2019 is 5%.
- In 5th grade Reading, the achievement gap between EL and all students 2018-2019 is 1%.
- In 5th grade Science, the achievement gap between EL and all students 2018-2019 is 3%.

Due to the COVID-19 Pandemic, 2019-2020 accountability data is not available. We will maintain our accountability rating "A" for the 2020-2021 school year as was rated for the 2019-2020 school year. STAAR data for limited number of students receiving on-campus instruction will be available for the 2021-2022 school year.

Based on our limited data from Spring 2021, the results show an achievement gap for All students and Els in all tested subjects:

Reading – gap of 16%

Math – gap of 1%

Writing – gap of 3%

Science – gap of 11%
