# Sergeant Leonel Treviño Elementary Executive Summary

**Mission:** It is the Mission of Sergeant Leonel Treviño, to prepare all students to be successful in life by providing quality instruction in a motivated educational environment conducive to helping students learn and excel academically in order to be globally competitive.

**Demographics Summary:** The current enrollment of Sergeant Leonel Treviño Elementary as of September 2021 is **400** students. The student population at Sergeant Treviño Elementary consists of 99.4% Hispanic and 0.6% White. Our students represent low socio-economic status of approximately 96.4% with a small number of migrant students. Approximately 9% of our student population receive special education services, while 2.89% receive accommodations under 504. We currently do not have students identified Gifted and Talented. The bilingual population is approximately 65.9% where most of the students' home language is Spanish. The attendance rate for the campus has consistently maintained between 95.5-95.97%. Most of our students live in the surrounding areas of Sergeant Treviño.

**Comprehensive Needs Assessment Summary: (2018-2019 TAPR Data)** Sergeant Leonel Treviño received an overall grade of 80 out of 100 based on performance in three different domains. In Domain I, which is Student Achievement, Sergeant Treviño earned 72 which measures how much a student knows and can do at the end of the school year. In Domain II Part A, which is Academic Growth, Treviño scored a 74, this measured how students perform over time and how that growth compares to similar schools. In Domain II Part B, which evaluates the overall student's performance on the Student Achievement STAAR component compared to campuses with similar percentages of economically disadvantaged students, was an 80. Treviño scored a 79 on Domain III, Closing the Gaps, the domain which shows how well different student groups within a school are performing. Domain III is the domain in which Treviño received a Distinction Designation.

**Curriculum and Instruction and Assessment:** Sergeant Leonel Treviño teachers utilize the Balanced Literacy approach for language arts instruction. Teachers also incorporate the Common Instructional Framework which focuses on instructional strategies which facilitate the engagement of all students in learning. Guided Reading is implemented with all students in PK3 to Second grade. Guided Reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. Reading Specialist will target students in kindergarten, first grade and second grade to develop early literacy skills. Our campus follows the one-way Dual Language Program. Sergeant Treviño will also focus on the subject of Writing as part of literacy instruction in order for students to be able to compose their thoughts and target handwriting skills too.

**Summary of Goals:** In summary, the goal of Sergeant Treviño is to improve student mastery of grade level TEKS by utilizing TEKS based, data driven instruction to increase the number of all students through all performance levels; approaches, meets and masters levels on STAAR. Our goal is to increase by 5% in all three performance levels and all subjects by June 2022. Students in grades K-2 will show a 5% increase in the number of students performing in Tier 1 as determined by Istation reading and Imagine math. Each grade level will show a 5% increase in the percentage of students reading on grade level. Improve practice of high-engagement, rigorous instruction for all students. Provide a safe, rigorous, highly engaging learning environment to all students and staff. 100% of students will participate in our campus wide PBIS and social emotional initiative. Close the achievement gap by 5% between the economically disadvantaged, special education and ELL populations. 100% of parents will have the opportunity to participate in school events and engagement activities. We will continue to partner with community stakeholders to ensure student/campus success.

# THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

## THE STATE OF TEXAS PUBLIC EDUCATION GOALS

**GOAL #1:** The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.

**GOAL #2:** The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.

**GOAL #3:** The students in the public education system will demonstrate exemplary performance in the understanding of science.

**GOAL #4:** The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

## THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

**Objective #1:** Parents will be full partners with educators in the education of their children.

**Objective #2:** Students will be encouraged and challenged to meet their full educational potential.

**Objective #3:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

**Objective #4:** A well-balanced and appropriate curriculum will be provided to all students.

**Objective #5:** Qualified and highly effective personnel will be recruited, developed, and retained.

**Objective #6:** The state's students will demonstrate exemplary performance in the comparison to national and international standards.

**Objective #7:** School campuses will maintain a safe and disciplined environment conducive to student learning.

**Objective #8:** Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

**Objective #9:** Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

## Title I, Part A

### School wide Components:

1. A comprehensive needs assessment of the entire school(including considering the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.
5. Strategies to attract high-quality teachers to high-need schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

## Demographics Summary

### Special Education:

The following sources from across the district were used to review the Special Education data by the District Education Improvement Council: State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and State Performance Plan (SPP) indicators to determine strengths and needs of our Special Education students. In addition, the Special Education Department was very involved in the curriculum writing and revision for grades K-12 during the summer to ensure that the general curriculum meets the needs of our special education students. Professional development is also coordinated with the curriculum and instruction department to ensure that all general education teachers are well versed in best practices that support the learning of special education students.

### Needs:

As evidenced in the STAAR assessments , the results show an achievement gap as follows:

- In Reading, the achievement gap between Special Education and All students 2018-2019 is 49%.
- In Mathematics, the achievement gap between Special Education and All students 2018-2019 is 32%.

### Personnel Needs:

The Special Education Department must work closely with the human resource department to ensure that highly qualified teachers and instructional assistants are recruited, hired, and placed in the appropriate educational setting and to implement the inclusion model effectively.

### Professional Development Needs:

The Special Education Department must work closely with the Curriculum and Instruction Department and provide PD in the area of co-teaching to implement the inclusion model effectively.

### Strengths:

- Majority of student being mainstreamed in the regular classroom.

### English Language Learners (ELL):

The following sources from across the district were used to review the Bilingual Education/Dual Language (BE/DL) Department data by the District Education Improvement Council: State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and TELPAS indicators to determine strengths and needs of our ELL students. The BE/DL Department also worked closely with the human resource department to ensure that highly qualified teachers and instructional assistants were recruited, hired, and placed in the appropriate educational setting. Each curriculum and instruction central office administrator by campus type was also assigned an English Language and Spanish Language Development coach to enhance bi-literacy. In addition, the BE/DL Department was very involved in the curriculum writing and revision for grades K-12 during the summer to address the needs of our ELL students and align the curriculum between English and Spanish Language Arts that led to a more coherent and consistent bi-literacy program. Professional development was also coordinated with the curriculum and instruction department to ensure that all general education teachers utilize best practices that support the learning of ELL students.

### Needs:

As evidenced in the STAAR assessments , the results show an achievement gap as follows:

- In Reading, the achievement gap between ELL and the campus goal for 2018-2019 is 14%.
- In Mathematics, the achievement gap between ELL and the campus goal 2018-2019 is 6%.
- In TELPAS, the Yearly Progress Composite Rating will increase by 2% or more to reach the goal.

### Strengths:

- The Dual Language Program at PSJAISD serves ELL students in grades K-12 at PSJAISD
- In Reading, the ELL students are outperforming all students by 6%.
- In Mathematics, the ELL students are outperforming all students by 2%.
- ELL students in all assessments scored 78% at approaches, 39% at meets and 17% at master level.

### Economically Disadvantaged

The following sources from across the district were used to review the Economically Disadvantaged data by the District Education Improvement Council: State of Texas Assessments of Academic Readiness (STAAR) results, and System Safeguards to determine strengths and needs of our Economically Disadvantaged Students.

#### Needs:

As evidenced in the STAAR assessments , the results show an achievement gap as follows:

- In Reading, the achievement gap between Economically Disadvantaged (96.4) of the student population) and All students 2018-2019 is 1%.
- In Mathematics, the achievement gap between Economically Disadvantaged (96.4) of the student population) and All students 2018-2019 is 1%.

#### Strengths:

- In Math, for Economically Disadvantaged students at the campus 24% mastered target in the assessment.
