Team Gear Notes:

- * denotes that an item is required for participation.
- Socks are required to match for games, but if you have similar socks (ie any white crew socks for vb/ basketball, or any **navy**/white soccer socks, then that is acceptable).
- Unless otherwise communicated, last year's team gear will be acceptable for this year.
- Once the form is filled out, please attach in an email to davidhen@frenchamericansf.org. He will follow up and let you know when the order is filled and ready for pickup.
- Please pay with cash or check upon pickup. No electronic payments are accepted at this time.
- We suggest ordering 1 t-shirt per day of training (average of 3 practices a week). *Every student-athlete should wear an International t-shirt at every practice.*
- If your family needs financial assistance for team gear, please email saras@frenchamericansf.org, and we will make sure to collaborate with the High School office.
