

Tobacco-Free School District (Policy ADC)

Issued 9/23 - The board affirms that tobacco use and exposure to secondhand smoke (environmental tobacco smoke) are hazardous to the health of human beings, especially children. Therefore, the board believes that it is essential to maintain a 100 percent tobacco-free environment in order to ensure students and staff have access to the healthiest, most productive learning environment possible.

For purposes of this policy:

Tobacco product means a substance that contains, is made of, or derived from tobacco or nicotine and is likely to be consumed or is intended for human consumption, that can be inhaled, absorbed, or ingested by any other means including, but not limited to, cigarettes, cigars, chewing tobacco, pipe tobacco, snus, or snuff.

Electronic smoking device means any device that may be used to deliver any vaporized or aerosolized substance including e-liquid, to the person inhaling from the device including, but not limited to e-cigarettes, e-cigars, e-pipe, vape pen, or e-hookah. Electronic smoking device also includes any component, part, or accessory of the device including any substance intended to be vaporized or aerosolized while using the device whether or not it contains nicotine.

The board commits to the following:

- maintaining a 100 percent tobacco-free, smoke-free environment for all students, staff, parents/legal guardians, contract and other workers, volunteers, visitors, and other members of the public within all district facilities, vehicles, and grounds. This includes any building, facility, and vehicle owned, operated, leased, rented, or chartered by the district and applies to all school-sponsored or school-related events, on or off school grounds
- prohibiting the use of any tobacco product or electronic smoking device by persons attending a school-sponsored event when in the presence of students or staff or in an area where smoking or other tobacco use is otherwise prohibited by law
- prohibiting the possession of all tobacco products, electronic smoking devices, or associated paraphernalia
- utilizing a proven and effective science-based tobacco use prevention curriculum
- providing access to cessation counseling or referral services for all students and staff

Notice

This policy will be communicated through a variety of efforts to educate students, staff, parents/legal guardians, contract and other workers, volunteers, visitors, and other members of the public. The policy will be posted on the school website and printed in staff and student handbooks on an annual basis.

Tobacco-free signs prohibiting the use of tobacco products and electronic smoking devices on district property will be posted in highly visible areas at facilities entrances and throughout school and district grounds, including athletic facilities.

Enforcement

Students, staff, parents/legal guardians, contract and other workers, volunteers, visitors, and other members of the public are required to comply with this tobacco-free policy. The district will enforce this policy through appropriate disciplinary actions for violators, including, but not limited to, the following:

Students

- parent/legal guardian/administrator conferences
- mandatory enrollment in tobacco prevention education or cessation programs
- community service
- in-school suspension
- suspension from extracurricular activities
- out-of-school suspension

Staff

- verbal reprimands
- written notification placed in personnel file suspension
- mandatory enrollment in a tobacco prevention education program
- voluntary enrollment in a cessation program

Contract or other workers

- verbal reprimand
- notification to contract employer
- removal from district property

Visitors, volunteers, or members of the public

- verbal requests to leave school property
- termination from volunteer positions

- prosecution for disorderly conduct after repeated offenses

All staff members are expected to enforce the policy under the direction of the principal or district administrator. Any violation of this policy should be reported to the school or district administration.

Education and Assistance

The district will utilize a proven and effective tobacco use prevention curricula to educate all students and will provide assistance and/or make appropriate cessation referrals. The district will collaborate with the Department of Health and Environmental Control, the Department of Alcohol and Other Drug Abuse Services, and the South Carolina Department of Education, as appropriate, to implement this policy.

Tobacco Industry Marketing or Sponsorship

The district will not accept any contributions, or gifts, money, or materials from the tobacco industry. The district will not participate in any type of services that are funded by the tobacco industry. In addition, any gear, paraphernalia, clothing, etc., that advertises tobacco or electronic smoking devices, or tobacco or electronic smoking device use, will not be allowed on district grounds or in the possession of students, staff, parents/legal guardians, contract and other workers, volunteers, visitors, and other members of the public on district property or at district-sponsored events.
