Subd. 8 – Whenever parental leave extends to the end of a school year; the paraprofessional must notify the Human Resources Department in writing by March 1 of intent to return or not return to the district the following year. In the event of a school closure, Paraprofessionals will not be required to make up the time. At the Supervisor's discretion, Paraprofessionals may be provided opportunities to make up missed time prior to the submission of their timecard for that week. The number of hours a Paraprofessional can be paid for such days shall not exceed the number of hours on a regularly scheduled workday. Paraprofessionals may choose to take the day(s) without pay and will not be required to use available leave. Subd. 2 – On workdays where a late start is directed by the District, Paraprofessionals shall report for work no later than the adjusted school start time and shall be paid for their normal day. Subd. 3 – In the event the closure of the school is further designated as a Flex/eLearning day, Paraprofessionals may complete online training and be paid for those hours, up to the number of hours they normally would have worked on that day. Supplementing the missed work hours with online training hours can be completed through approved avenues. Online training hours under these circumstances will not be deducted from the individual PD hours allocated annually.

Section 5 – Strike Activity

If a strike by another group causes the schools to be closed, paraprofessionals will be paid for the first five days that the school is not in session and then will be laid off without pay for the duration of the strike. During the strike, insurance premiums will continue to be paid as per contractual provisions. The layoff will be duly certified to the proper state unemployment compensation officials.

Section 6 – Resignations

Paraprofessionals may elect early retirement effective at the conclusion of the school year during which they reach 55 years of age or any of the succeeding school years.

Paraprofessionals may retire prior to the conclusion of a school year providing the building principal grants approval and an acceptable replacement is available.

Section 2 – Severance Pay

The school board shall provide severance pay to paraprofessionals with a seniority date prior to December 1, 1997, who retire in district 834 according to the following provisions:

Subd. 1 – A paraprofessional who has completed at least ten consecutive years of permanent/active employment in district 834 and are age 55 or older, shall receive as severance, an amount equal to 100% of the paraprofessional's unused accrued sick leave days multiplied by the paraprofessional's current daily rate, not to exceed a maximum of 100 days pay upon separation from district 834.

Subd. 2 – The number of severance days paid shall not exceed the employee's sick leave reserve at the time of retirement, except that in no event shall the paraprofessional's severance pay be less than 50 days.

Subd. 3 – Severance pay shall not be provided to any paraprofessional discharged for unsatisfactory service by the school board.

Subd. 4 – Under the terms of this agreement, the district will make payment to the designated 401a, 403b, or 457, or Healthcare Savings Account as provided in the Special Pay Deferral Plan and the Healthcare Savings Plan, in accordance with state and federal laws.

Subd. 5 – The district will contribute an amount equal to the value of 25% of the employee's severance entitlement directly into the retiree's Special Pay Deferral account, and 75% into the retiree's Healthcare Savings Account.

Subd. 6 – All ages in this section refer to the paraprofessional's age on the last day of paid employment.

Subd. 7 – An employee shall receive severance pay only once during his/her working career with the district.

Section 3 – Matching Tax Deferred Plan

Paraprofessionals employed at least four hours per day and having a seniority date on or after December 1, 1997, upon completion of two full consecutive years of regular/active employment in district 834, shall be eligible to receive up to three and a half percent (3.5%) of the annual salary to a matching tax deferred account, subject to state and federal laws.

Subd. 1 – Service shall mean years of service wherein the paraprofessional is employed through school board action on a continuous and permanent basis. Unpaid leave of absence shall not be considered a break in service.

Subd. 2 – The district contribution will begin when the employee establishes participation in an eligible investment program as defined by statute. The district match cannot be accumulated on a retroactive basis if an employee elects to begin participation after the first year of eligibility.

Subd. 3 – On or any time after their second anniversary date, employees may make an initial entry into the matching tax deferred plan.

Subd. 4 – Changes to or initial entry into the plan shall occur on the first pay date following the date information is received by the Human Resources Department.

Subd. 5 – The employee, not the district, is solely responsible for determining his/her total maximum allowable annual contribution under IRS regulations.

Subd. 6 – Employees having a seniority date prior to December 1, 1997, who elect to participate in the matching tax deferred plan, may do so with the amount of the matching Board contribution being deducted from their final severance.

Section 4 – Retirement Insurance

Subd. 1 – Paraprofessionals with a seniority date before July 1, 2000 AND who are 55 years of age or older and have at least ten consecutive years of employment in district 834, immediately preceding their retirement, may continue as a member of the group medical insurance plan for up to ten years or until they reach Medicare eligibility. The employee is eligible to continue single coverage in the plan in which they were enrolled, prior to retirement, with the district paying the full premium, provided they elect such coverage. For employees electing to participate in the high deductible / HRA/VEBA option upon retirement, the district shall contribute to an HRA/VEBA account for the employee an amount equal to the amount they were eligible for under single coverage at the time of their retirement, as defined in Article VII, Section 2, Subd. 2, provided they were enrolled in the district's insurance plan prior to retirement and elect such coverage.

Subd. 2 – An employee may elect to continue dependent coverage by paying the difference between the amount provided by the district and the full premium amount. There shall be no HRA/VEBA contribution toward additional coverage purchased by the retiree to cover his/her spouse or dependent.

Subd. 3 – Paraprofessionals with a seniority date on or after July 1, 2000, and prior to July 1, 2006, shall receive single premium contributions on the same premium contribution basis, and toward the same plan they were enrolled in immediately before their retirement. For employees electing to participate in the high deductible/HRA/VEBA option upon retirement, the district shall contribute to an HRA/VEBA account for the employee an amount equal to the amount they were eligible for under single coverage at the time of their retirement, as defined in Article VII, Section 2, Subd. 2, provided they were enrolled in the district’s insurance plan prior to retirement and elect such coverage.

Subd. 4 – For those paraprofessionals who retire without ten consecutive years of service immediately preceding retirement, the school board shall continue the group health and hospitalization plan for those who elect such coverage and who are between the ages of 62 and 65 and such coverage shall be convertible to a Medicare supplement plan. Such coverage shall cease when the paraprofessional reaches age 65. Such paraprofessional will pay the entire premium for such insurance. For employees electing to participate in the high deductible/HRA/VEBA option, there shall be no district contribution to a VEBA.

Subd. 5 – Paraprofessionals with a seniority date on or after July 1, 2006, will be ineligible for district paid retiree insurance, however, such paraprofessionals who are eligible for district paid insurance, and employed on the last day of the school year, will receive an annual district contribution of \$800 to be deposited into the district designated Health Care Savings Plan (HCSP) at the conclusion of each school year, and no later than June 30. Paraprofessionals employed less than a full year will receive a pro-rated amount, based on period of employment.

Article XI – Employment Practices

Section 1 – NonDiscrimination

All paraprofessionals shall be employed, transferred, and promoted without regard to race, creed, national origin, union membership, marital status, sexual orientation, age, gender or gender identity and shall be afforded all rights of citizenship and due process.

Any dispute concerning the application of this Section shall be resolved by the appropriate State or Federal agency and shall not be subject to the grievance procedure contained in Article XIII.

Section 2 – Probationary Period

Subd. 1 – New paraprofessionals will be considered on probation until the administrator certifies in writing that the paraprofessional’s work, cooperation with other employees, attendance, and general attitude meets the expectations for the position, but in no event shall the probationary period extend beyond 172 days worked in the bargaining unit. Probationary reviews will be conducted after 45, 90 and 135 days worked in the bargaining unit, except in the event the administrator has certified an early release from probationary status. Failure to meet the requirements for early certification or to successfully complete 172 days of work in the bargaining unit will result in termination.

Subd. 2 – During the probationary period employment may be terminated for any reason, by action of the school board, with written notice of such action to the employee. During the probationary period, the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance alleging a violation of any other provisions of this agreement.

Subd. 3 – In cases where an employee has successfully completed their probationary period, is released under the terms of Article XI, Section 3 (including those without job rights), and subsequently rehired with a break in service of no more than 45 days, the employee shall not be required to serve a new probationary period.

Section 3 – Reduction/Rehire Of Staff

In the event the school board shall terminate a position(s), reduce hours, or otherwise reduce the number of paraprofessionals covered under this contract, such action shall be governed by the following procedures:

Subd. 1 – Termination of a Position or Reduction of Hours – The Human Resources Department shall meet with the SCPA President, Member Rights Chair, and Lead Negotiator prior to any anticipated reductions to discuss an orderly process for layoffs. Human Resources will then immediately notify all affected paraprofessionals and the exclusive representative in writing on or about May 20 of each year, and no later than the end of the school year. A list of the positions to be terminated or reduced in hours shall be posted at the office of each building in the district. If it is determined that additional reductions are required, the district shall notify the SCPA, and affected employees shall be promptly notified as soon as changes are finalized. A reduction of workdays which are in excess of student contact days does not constitute a reduction of hours as contemplated herein.

Paraprofessionals with lesser seniority shall be terminated prior to the termination of paraprofessionals having greater seniority. In the case of ties in seniority, the Human Resources Department will appoint a special committee composed of a Human Resources Department representative, an elementary administrator, a secondary administrator and the SCPA President or his/her designee to decide the seniority ranking of the affected employees. The committee will make its decision based on the total job performance of the affected paraprofessionals.

Subd 2 – Seniority Options – If the holder of a position being terminated or reduced has seniority, the holder's options for retaining a position are as follows, in sequential order:

1. The holder may accept reduced hours and maintain seniority rights of hours for two years following the date their hours were reduced.

Or

The holder must accept an available vacant position of equal or greater hours if they are capable of fulfilling the duties and are acceptable to the principal.

2. If no vacancy exists, the holder must displace the least senior paraprofessional with equal or greater hours, if they are capable of fulfilling the duties.

Or

The holder may displace the least senior paraprofessional with fewer hours if they are capable of fulfilling the duties.

In all cases, persons exercising their right to transfer shall assume a position of equal or greater hours before they may displace a paraprofessional with less seniority.

Subd. 3 – Paraprofessionals who are released at the end of the school year, without job rights as defined in Subd. 4 of this Article, and paraprofessionals placed on layoff status will not be eligible to receive pay and district paid fringe benefits after August 31 of the year of layoff.

Subd. 4 – Rights of Reinstatement – A non-probationary paraprofessional whose employment is terminated under this Section shall have rights of reinstatement, provided they have completed two years of service in the paraprofessional bargaining unit, with a break in service of no more than 45 days. Years of service shall be determined from the date of hire in the paraprofessional bargaining unit. These rights are subject to the following conditions:

1. Rights of reinstatement shall continue for a period of two years from the date of termination.
2. Paraprofessionals will be recalled in the inverse order of layoff.
3. Rejection of an offer of reinstatement for a position of equal or greater hours, for which the paraprofessional is capable of fulfilling the duties and is acceptable to the principal, cancels all rights to reinstatement, except that a paraprofessional may refuse positions with fewer hours than their last position or a position posted as temporary without losing reinstatement rights.

Section 4 – Hiring New Paraprofessionals

The district shall not hire new paraprofessionals, while qualified paraprofessionals are on layoff status.

Section 5 – Notifying The District Of A Change Of Address

A laid off paraprofessional must advise the Human Resources Department of any changes in address.

Section 6 – Physical Examination

To be eligible for employment, new paraprofessional employees shall be required to complete a health examination. The exam must be completed at a clinic determined by the district and will be paid for by the district.

Section 7 – Evaluation

Each paraprofessional is entitled to a performance evaluation conducted and written by the employee's immediate supervisor. This process shall be formative and designed to encourage employee growth and professional development aligned with the mission statement and core values of the district.

Subd. 1 – Probationary Paraprofessional Evaluation – Probationary paraprofessionals will be evaluated in accordance with Article XI, Section 2, Subd. 1.

Subd. 2 – Non-probationary Paraprofessional Evaluation – Each non-probationary paraprofessional will be evaluated at least once every three years and will not be subject to the grievance procedure of this Master Contract.

Section 8 – Personnel File

Any paraprofessional shall have the right to inspect his/her personnel file during regular business hours. The paraprofessional may be accompanied by a representative of his/her choice, may reproduce contents of the file, and may attach a statement of explanation or rebuttal to any information contained in the file. No new evaluation material shall be placed in the file without the paraprofessional's awareness and receipt of a copy thereof.

Section 9 – Disciplinary Action

Subd. 1 – After completion of the initial probationary period, any paraprofessional may be subject to disciplinary action or discharge for conduct which violates district rules or policies, or for conduct which fails to further the educational and employment goals of the district or distracts from or disrupts the learning or employee environment. Discipline will be progressive in nature and may include written warnings and reprimands, suspensions with and/or without pay, and discharge. The district reserves the right to exercise a level of discipline consistent with the seriousness of the infraction.

Subd. 2 – Any paraprofessional who is being formally put on notice shall be entitled to, and so notified in writing, of a right to Union representation during any investigatory meeting that could result in discipline. "Investigatory meeting" is defined as a meeting called by the School District when it believes that it may have just cause to impose discipline or issue a notice of deficiency. When a request for representation is made, no action will be taken with regard to the paraprofessional until such representation from the SCPA is present, provided, however, that the SCPA must furnish an appropriate representative to participate in the required meeting within 48 hours of the initial request.

Subd. 3 – Any written reprimand/discipline placed in the paraprofessional's file, which is later found to be groundless, shall be expunged from the file.

Subd. 4 – When considering the penalty for inappropriate conduct by a paraprofessional, the district shall take into consideration and give appropriate weight to the work record of the paraprofessional.

Section 10 – Paraprofessional Protection

It is recognized by the Board and paraprofessionals that a duty of an educator is to nurture the selfworth of individuals throughout the educational proceedings. To this end, paraprofessionals undertake a sustaining duty in regard to student discipline. In order to apply the standards of student conduct as adopted by the board in District Policy 506, paraprofessionals require support.

Section 1 – Necessary Use Of Force

To prevent injury to another person or to protect oneself, a paraprofessional may use such force as is necessary.

Section 2 – Assault

Any case of assault upon a paraprofessional shall be promptly reported to the School Board or its designated representatives which are defined as the immediate supervisor, Principal, or Human Resources. Time lost by a paraprofessional in connection with such incident shall not be charged against the paraprofessional.

Article XII – Vacancies, Transfers and Change in Assignment

Section 1 – Posting Notices

Subd. 1 – Job openings covered by this agreement will be posted for a period of five days, except during the spring posting process and the 15 working days immediately prior to the beginning of the student school year when there is a two-day posting period in place. The posting will contain job title, job duties, hours per day, and job qualifications. Such notices shall be posted on the district website. Paraprofessionals interested in the positions must apply online within the posting period.

Subd. 2 – Additional Hours – Whenever a building's hours are expanded, up to 45 minutes in a day, such additional time will be offered to the most qualified employee in the building, provided schedules do not conflict. In the event two or more employees from within the building are interested, are equally qualified, and meet all other requirements, the employee with the most seniority shall be offered the additional time.

Subd. 3 – A permanent job opening is a vacancy in a position scheduled for more than 67 days per year. A permanent job opening will not exist when any person who has a seniority claim on that position is on sick leave or other leave of absence.

Subd. 4 – Notice of action shall be given to all paraprofessionals who apply within five days of the filling of such opening.

Subd. 5 – Notwithstanding the provisions of this Section, the Human Resources Department may consider and transfer any paraprofessional to an equivalent vacant position prior to formal posting as provided in Subd. 1.

Subd. 6 – All paraprofessionals currently employed by the district shall be given an opportunity to apply for any job opening. In the event a paraprofessional is qualified and acceptable to the principal, the paraprofessional shall be offered the job. In the event two or more paraprofessional applicants shall apply and are equally qualified and acceptable to the principal, the paraprofessional with the longest service in the district shall be offered the position. Paraprofessionals shall be granted no more than two transfer requests in any six-month period, however, a paraprofessional who is not eligible for full time benefits may be granted a third transfer request within a six-month period, in order to obtain a full time benefits eligible position. All present paraprofessionals making application are to be formally interviewed by the principal before an applicant from outside the SCPA unit is interviewed. Nothing in this subdivision prohibits the Human Resources Department, however, from advertising for both unit and nonunit applicants on a concurrent basis. In cases where there are internal candidates and the district is going to recommend that a position be awarded to an outside applicant, the SCPA shall be notified in advance of awarding the position and shall have the opportunity to discuss the matter with the hiring administrator.

Subd. 7 – In the event that there are no paraprofessionals with rights of reinstatement (Article XI, Section 5, Subd. 4), qualified paraprofessionals in a building working less than five and one half hours per day will be offered additional hours (paraprofessionals working five and one half hours or more may be offered additional hours) by in-building posting for three days when they become available, and if the schedules do not conflict, before the Human Resources Department posts these hours for paraprofessionals in other buildings and subsequently for prospective paraprofessionals in accordance with Subd. 3 above. In the event two or more paraprofessional applicants from within the building shall apply, are equally qualified, meet all other requirements of this Subdivision and are acceptable to the principal, the paraprofessional with the longest service in the district shall be offered the additional hours. Whenever possible, the inbuilding posting will indicate the specific time periods during each workday in which the paraprofessional will be working.

Section 2 – Notice Of Change In Assignment

Paraprofessionals shall be provided a two-week written notice of change of assignment, unless there are extenuating circumstances, in which case the notice may be less than two weeks.

Section 3 – Notice Of Assignment For Succeeding School Year

If there will be a change in a paraprofessional's assignment for the succeeding school year, paraprofessionals with job rights shall be so notified no later than two working days prior to the annual paraprofessional spring posting. In the event additional changes in assignments occur, all paraprofessionals affected shall promptly be notified as soon as changes are finalized.

Section 4 – Annual Spring Posting(s):

Each year, the District shall complete two internal rounds of spring postings and shall post positions available only to those paraprofessionals with job rights. Such postings shall be for a period of three working days, with the second round occurring within ten days of the conclusion of the first round.

Subd. 6 – Time of Meetings – Meetings or hearings provided for in this grievance and arbitration procedure may be conducted during the normal workday, and paraprofessionals who participate in such meetings or hearings shall not be deducted wages or leave credit for such participation.

Section 4 – Time Limitation And Waiver

Grievances shall not be valid for consideration unless the grievance is submitted in writing, signed by both the paraprofessional(s) and the exclusive representative, to the immediate supervisor, setting forth the facts and the specific provision(s) of the agreement allegedly violated and the particular relief sought within 20 days after the event giving rise to the grievance occurred or 20 days after the paraprofessional(s), through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods in the grievance procedure shall constitute a waiver of the grievance. The paraprofessional and the immediate supervisor should attempt to resolve possible grievances informally; however, such efforts do not toll or extend the time periods for submission of a grievance or processing a grievance through the levels of the grievance procedure.

Section 5 – Adjustment Of Grievance

The school board and the paraprofessional, with the exclusive representative, shall attempt to adjust all grievances which may arise during the course of employment of any paraprofessional within the district in the following manner:

Subd. 1 – Level I – If the grievance is not resolved at the supervisor level, the supervisor shall respond to the grievance with a written decision to the paraprofessional and exclusive representative within ten days after receipt of the written grievance.

Subd. 2 – Level II – In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent or designee, provided such appeal is made in writing within ten days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent or designee, the Superintendent or designee shall set a time

to meet with the paraprofessional(s) and the exclusive representative regarding the grievance within ten days after receipt of the appeal. Within ten days after the meeting, the Superintendent or designee shall issue a decision in writing to the exclusive representative.

Subd. 3 – Level III – In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the school board, provided such appeal is made in writing within ten days after receipt of the decision in Level II. If a grievance is properly appealed to the school board, the school board shall set a time to meet with the paraprofessional(s) and the exclusive representative to hear the grievance within ten days after the receipt of the appeal. Within ten days after the meeting, the school board shall issue its decision in writing to the parties involved. At the option of the school board, a committee or representative(s) of the board may be designated by the board to hear the appeal at this level and report its findings and recommendations to the school board. The school board shall then render its decision.

Section 6 – Denial Of Grievance

Failure by the school board or its representatives to issue a decision within the time periods provided herein, shall constitute a denial of the grievance. The paraprofessional(s) with the exclusive representative may appeal to the next level.

Section 7 – Arbitration Procedures

In the event the paraprofessional or the exclusive representative and the school board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein.

Subd. 1 – Request – A request to submit a grievance to arbitration must be in writing, signed by the aggrieved party (or parties) and the exclusive representative, and such request must be filed in the Human Resources Department within ten days following the decision in Level III of the grievance procedure.

Subd. 2 – Prior Procedure Required – No grievance shall be considered by an arbitrator which has not been first duly and timely processed by the paraprofessional and the exclusive representative in accordance with the grievance procedure and appeal provisions.

Subd. 3 – Selection of Arbitrator – Upon proper and timely submission of a grievance under the terms of the grievance procedure, the parties shall, within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request a list of arbitrators from the Minnesota Bureau of Mediation Services provided such request is made within 20 days after request for arbitration. Failure to agree upon an arbitrator or the failure to request a list of arbitrators within the time periods provided herein, shall constitute a waiver of the grievance.

Subd. 4 – Hearing – The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have a right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues

before the arbitrator. No less than two days prior to the hearing, the parties will meet to disclose exhibit and witness lists. Any paraprofessional required to attend the hearing shall be given the time off with pay and such time will not be counted as union leave.

Subd. 5 – Decision – The decision by the arbitrator shall be rendered after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties.

Subd. 6 – Expenses – Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, and any other expenses, which the parties mutually agree are necessary for the conduct of the arbitration. The cost of the transcript or recording will be borne by the requesting party.

Subd. 7 – Jurisdiction – The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator, pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been properly and timely submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein.

Section 8 – Reprisals

No reprisals of any kind will be taken by the school board or administration of Independent School District 834 against any paraprofessional because of the paraprofessional's participation in this grievance procedure.

Section 9 – Processing

Processing of all grievances may be during the normal workday and paraprofessionals shall not lose wages due to their necessary participation. Release time necessary for the exclusive representative(s) shall be in accordance with Article V, Section 5.

Section 10 – Waiver And Election Of Remedies

Pursuing an action, proceeding, or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process, including but not limited to, the Veterans' Preference Act, will constitute an election of remedies by the paraprofessional and a waiver of any and all rights to commence or continue a grievance on the same subject matter through the grievance procedure set forth in Article XIII. This provision does not preclude any district defenses, in any forum, including, but not limited to, lack of jurisdiction.

Article XV - Duration

Section 1 – Terms And Reopening Negotiations

This contract shall remain in full force and effect for period commencing on July 1, 2022 to June 30, 2024 and thereafter until modifications are made pursuant to the P.E.L.R.A.
