MSHSA

The Camp Hill Middle School High School Association (“MSHSA”) prioritizes the needs of Camp Hill Middle School and High School teachers and students. The MSHSA:

- 
- Fulfills grant requests by teachers which provide supplies and other items that have a direct benefit to classrooms and students
 - Sponsor teacher dinners, breakfasts, and giveaways throughout the year
 - Fund events for students, including socials, dances, end of year celebrations, and breakfast and snacks for students during statewide testing days
 - Support diversity initiatives by gifting items to classrooms with a specific emphasis on a unique perspective of the subject matter
 - And much more!

We’d love to have you join us!

Chorus and Band FAQ

Will I have a study hall?

Students in Band and Choir do not have study hall. However, many 6th grade students are able to manage their time well and get their homework done. Mr. Raygani and Mrs. Deitch are both flexible if a student is struggling and needs to meet with a teacher. They will allow them to miss a rehearsal to get the support they need.

Can I be in both band and choir?

Yes! The courses do not conflict with one another!

Do I need to audition?

No! Any student can be in choir and band. Beginning band students may take lessons to learn necessary skills before joining the full 6th grade band.
