

Eisenhower Happenings

NOVEMBER 2023

DEAR PARENTS/GUARDIANS,

Happy November! As the first marking period comes to an end, I hope that it has been a positive and rewarding one for your student and family! Below please find some important safety reminders, important dates with the upcoming breaks/holidays and home-school connections.

Safety reminders:

- Just a reminder that there are no left hands turns on 21st Street during drop off in the morning or pick-up in the afternoons. This is extremely important for our crossing guard as he crosses students and parents over 21st Street. In addition, waiting to turn left backs up the drop off line.
- Please have your student wait until an adult is at their car before jumping out. This helps us to keep an organized drop off.
- As a safety precaution, please keep your car in the car line and wait for the cars in front of you to leave in turns.

Enjoy the weekend!!

Sincerely,
Sandy Fauser

We are hopeful that these tools help all of us to work together to help our students show Lion PRIDE across all areas of their young lives. =)

If you would like to donate, please see the Amazon Wishlist: <https://a.co/6bMpK7B> or we would also love AMAZON gift cards, any amount. Thank you for considering and making this a wonderful experience for all the students.

SAFETY/BEHAVIOR CORNER

We recently received a parent email from someone that almost witnessed an Eisenhower student get hit by a car that was backing out in the parking lot. It is SO important to remind your child to not ride their bike through the parking lot. It is almost impossible to see bikes coming through when drivers are backing out. I always make the analogy of backing out at the grocery store and not seeing the person walking down the blacktop. Please keep reminding your children - we want them to be safe!!

MRS. BUDMAN'S PODCAST

NEWS FROM THE PTO

The Camp Hill Elementary Parent Teacher Organization (CHEPTO) is dedicated to serving Hoover, Eisenhower, and Lion Academy learners and their families, grades K-5. CHEPTO raises funds to support school activities and organizes events for our families to enjoy together, including Fall Fest, May Fair, and roller skating parties.

There are plenty of opportunities to get involved! We are forming several subcommittees, which will offer even more chances to have input and make an impact. Our ability to continue to offer programming and other events relies on help from volunteers. Without your help, we'll need to drastically cut back on what we can do.

Please join our next meeting on November 14th, at 6:30 PM in the Eisenhower library. There will also be an option to join via Zoom, if you prefer. Please join us to hear about all the ways you can help!

If you are interested in more information, email us at chepto@icloud.com.

WELCOME TO LEADER IN ME

Each new school year brings opportunities for academic growth and growth in all areas of development. Although children must be knowledgeable when they graduate, they must also be healthy, engaged, responsible, and caring people.

We're grateful you're here at our school and we're excited to partner with you and your child. As a *Leader in Me* School, we believe that every member of your family has greatness and we can't wait to learn and grow from you! *Leader in Me* (LiM) is an evidence-based, comprehensive school-improvement model—developed in partnership with educators and FranklinCovey—that empowers students with the leadership and life skills they need to thrive in a global community.

Our school has chosen to operate through a uniquely different lens. *Leader in Me* is about empowering your child to reach their full potential while ultimately finding their voice. As a school, the staff in this building have made five core commitments to your child. We call these our Core Paradigms. In these paradigms you will find the belief and way we view all students. At this school we see that:

- Everyone is a leader.
- Everyone has genius.
- Change starts with me.
- We empower students to lead their own learning.
- Educators and families partner to develop the whole person.

Not only do these paradigms apply to your student, they apply to all of us!

Leader in Me provides our school with the vision and language to lead the school in a way that addresses all areas of development. As each child discovers and develops their unique gifts and talents, they are given opportunities to lead. As leaders, they become active, engaged partners in their own education, and their self-confidence, responsibility, and initiative grows. The children quickly understand the benefits of different gifts and talents; they learn to listen to new ideas, work together to achieve results, and motivate one another to be the best.

We hope your school enjoys sharing these new opportunities. Together, we will see each child grow throughout the year.
