

**CAMP HILL SCHOOL DISTRICT
Early/Emergency Dismissal Form**

In the event of inclement weather or any other emergency causing us to dismiss students from school early, we need to know your intentions for your child during such an event. This information is vital in reducing anxiety on the part of the child and is also very helpful to the school since it would be impossible to notify each parent via phone if a situation should arise. Please remember to share your intentions with your child so that he/she is adequately prepared if we need to dismiss early!

Please complete for each child attending one of our elementary schools.

Student's Name _____ Teacher _____

During an early dismissal, my child will:

- be dismissed as usual *(NO afterschool care on early dismissal days)*
 - car rider
 - walker
- follow special instructions below
