Counselor Connection Newsletter Information

Get reminders, announcements and great links for college search/application process.

As a way of improving communication between the Counseling Department and students/parent, the Counseling Center sends out emails twice per week - Tuesday and Friday mornings. If you become a subscriber to this service, we will send regular reminders to your inbox regarding important information, announcements, web sites, test dates, deadlines, etc. This is an excellent way to keep current and organized with the college search and application process and any other services that involve the Counseling Department.

To subscribe, [click here](#), then click the "Follow" button. If you have any questions, see us in the Counseling Center or send us an email.

Irhsd.org/Page/972

Genesis Parent Account

Please go to the **Incoming Freshman Student Enrollment** link on the LRHSD home page (lrhsd.org).

Enter all required demographic information as noted.

This presentation will help guide 8th grade students and their parents through the course selection process.

It may also be helpful to access the 2022-2023 Program of Studies (access at www.lrhhsd.org under Students/Parents tab)

for complete descriptions of all courses referenced in this presentation.

* Math -15 Credits including Algebra 1, Geometry and either Introduction to Algebra 2 or Algebra 2

** Science -15 Credits including one year of Biology, one year from the following courses: Chemistry, Environmental Science or Physics and a third year of a science of the student's choice.

*** Financial Literacy - 2.5 Credits

130 CREDITS NEEDED TO GRADUATE

Required Courses

English.....	20 Credits/4 yrs.
*Math.....	15 Credits/3 yrs.
**Science.....	15 Credits/3 yrs.
U.S. History.....	10 Credits/2 yrs.
World Cultures.....	5 Credits/1 yr.
World Language.....	10 Credits/2 yrs.
P.E. and/or Health.....	5 Credits per year
***Financial Literacy.....	2.5 Credits/ ½ year
Visual/Performing Arts.....	5 Credits/1 yr.
21 st Century Life and Careers or Career-Technical Education.....	5 Credits/1 yr.

Grade standing is determined by credits earned:

To achieve 10th grade status (sophomore) - 29 credits

To achieve 11th grade status (junior) - 58 credits

To achieve 12th grade status (senior) - 91 credits or earn enough credits to complete graduation requirements by June of that school year.

See page 2 for a list of courses that meet the Financial Literacy, Visual/Performing Arts and 21st Century Life/Careers or Career-Technical Education requirements. Lunch will be scheduled in addition to the eight periods selected.

Graduation Requirements

All Students must complete 130 Credits

Students are required to pass
state assessments in Language Arts,
Mathematics and/or Science

Levels of Instruction

The Lenape Regional High School District offers courses at various levels of difficulty.

HON - Honors

ACC - Accelerated

CP – College Prep

MOD - Modified

PR – Pullout Replacement

LEVELS OF INSTRUCTION

HON – Honors

Instruction designed to rigorously and intensively prepare students to enter competitive four year college programs.

ACC – Accelerated

Instruction designed to prepare students to meet the academic requirements of a four year college.

CP – College Prep

Instruction designed to prepare students for some four year colleges, two year colleges, community schools and vocational schools as well as the world of work.

MOD – Modified

Instruction which stresses basic skills.

PR – Pullout Replacement

Instruction which is designed
to meet the needs of
classified students.

Parents of Special Education students should view the
separate presentation.

Parents of 504 students should see the document
explaining the process.

In order to prepare all students for
State Assessments in math,
students may be placed in an Algebra
Support Lab class.

LRHSD 9th Grade Schedule Sample

- English I – choose a level
- World Language
- Math – choose course and level based upon current course
- Biology – choice is based on level selected
- PE / Health
- Elective – list an alternate choice as well
- Elective – list an alternate choice as well
- Elective – option of Study Hall
 - It is possible to take a study hall each year and fulfill the 130 Credit Graduation Requirement.
 - If you select 7 courses, you will automatically get Study Hall.

Course Selection

Before you complete the selection process:

- Ensure that you select at least 7 courses.
- Ensure that each elective chosen has an alternate entered and labelled.

1:31 – 2:27	Period 7 French 1	Period 8 World Civ	Period 5 Algebra 1	Period 6 Computer Apps	Period 7 French 1

Option Two

Option Two serves as an alternative to traditional high school courses for credit in the following categories:

College Courses

Internet Courses

Work/Internship

Community Service

Summer School Original Credit

Proof of Proficiency

8th grade courses (Algebra 1, Geometry, Spanish 1) being accepted for high school credit will appear on the transcript. They will not be calculated into a student's GPA.

Please visit the District website for more information at www.lrhdsd.org

Athletic Eligibility

Fall/Winter Sports: All Freshmen are eligible.

Spring Sports: All Freshmen must pass the equivalent of 15 credits at the end of the first semester to be eligible.

See the [2022-2023 Program of Studies](#)
for NCAA Eligibility Requirements

Promotion to 10th Grade

Students must obtain 29 Credits to achieve
10th Grade Status.

Failure to adhere to the Attendance Policy may
also prohibit promotion. See the

[2022-2023 Program of Studies](#)

for complete details.

Choose Your Courses Wisely

- Elective courses fill quickly. The earlier a change is requested, the more likely the change can be made.
- Your schedule will *only* be changed in September if there is a scheduling error.
- Failure to select your preferred elective **is NOT considered a scheduling error.**

Course Change Procedure During the School Year

- To minimize disruptions of student schedules and to maintain class size balance and continuity of instruction, changes in student programs must be reasonably restricted.
- No changes during the school year will be made without a parent's signature and teacher input.
- Dropping a class cannot result in more than 1 full week study hall per year.
- A withdrawal from class will appear on the student transcript (WF/WP).
- See the [2022-2023 Program of Studies](#) for details about Course/Level Changes.

Change to Class Rank Policy for Class of 2024 and Beyond

Lenape Regional High School does not publish or release class rank. We believe that our students' levels of achievement are more equitably and fully communicated through multiple measures than a single figure transcript statistic

Waiver

Recognizing there may be limited circumstances in which students may be adversely affected without the release of class rank, a waiver may be completed by the parent/legal guardian and student requesting that either weighted or unweighted class rank be released to a specific college/university.

Waiver Examples

1. If the student will not receive consideration for admission without the release of individual class rank.
2. If the student will not receive consideration for a scholarship, or admission to a particular program or provided a benefit without the release of class rank.
3. If the student will not receive consideration for recognition in certain local, State or national programs of recognition without the release of rank.
