### Question/Concerns About Your Child's Overall Academic Success?

Contact your student's school counselor to configure the best course of action to support your student's success.

*(Please refer to the [district's chain of communication](#) for more details.)*

### Question About College/Career/Naviance?

Contact your student's school counselor. They will discuss your student's future goals, review your questions, and establish a plan to best set them up for success.

### Question/Concern about a 504 or IEP?

504 - School Counselor or School Counseling Office

IEP - Case Manager or Child Study Team (CST) Office

### Concerned About Your Child's Social, Emotional, or Mental Wellness?

In addition to direct communication with the classroom teacher, School Counselors can discuss your child's overall academic standing/success and progress toward graduation.
