

2024-2025 Derby High School Supply List

Visit www.derbyschools.com/enrollment

for more information on enrollment dates, school year calendar and more.

Please Note: High school student course schedules vary for every student, so this is not a comprehensive list of school supplies. Below is a list of basic supplies students may use in all classes. Derby High School strongly recommends waiting until students have attended each class for the first time to learn from the teacher what is needed for that class. Teachers may request additional course-specific supplies for their classes. Please wait to purchase supplies until after the first day of classes so you know exactly what your teachers want you to have.
