

Jupiter Christian School understands the importance of continued reading, especially throughout the summer. Just 15 minutes of reading each day can maintain and even increase literacy levels, thus avoiding the "summer slide." Further, we want to encourage lifelong reading for both growth and personal enjoyment.

Below is a list of recommendations for summer reading.

Please review the requirements for each grade/course below.

Summer reading will be assessed during the first full week of school through:

- In-Class discussions
- Timed writings
