Congratulations!!!

Harrison Retirements!

We'd like to thank four of our staff members for their service in the educational setting and their time at Harrison Elementary. Mrs. Laura Whitmer - 2nd Shift Custodian retired in February, 2024. Mrs. Alice Racy, Educational Assistant along with Terry Moreman, our

Harrison Secretary will retire at the close of this school year. Lastly, Tom Ford, one of the district technology assistants assigned and housed at Harrison, will retire in September. We will greatly miss all of these individuals and wish them well.

Music News

Things To Know!

Battle of the Books

Twelve of our 5th grade students have been reading, meeting, and discussing a set of books over several months throughout this school year in preparation for the Battle of the Books District Competition, which will take place Wednesday, May 22nd. It is truly some great academic fun for the students as they have really worked hard for this event. Our other grade levels will be able to view the competition thanks to technology and we will be cheering them on back at Harrison.

Women in History Presentation

Our Harrison PBIS Team and PTA have worked collaboratively to bring a fabulous experience to Harrison as we prepare to close the 2023-2024 school year. Women in History, The non-profit organization educates audiences through dramatic re-creations of the lives of notable women in U.S. History. The organization will take our students through a couple of their dramatic re-creations Thursday, May 23rd. We trust that this will be a very enjoyable learning experience for all of our students!

Madison Library

Many of our students will have an opportunity to learn more about the summer offerings provided by the Madison Library over the next couple of weeks. Some will take visits to the library, while some classes will receive a visit from a library representative. It is our hope that students and families will tap into the Madison Library over the summer and throughout the school year as they are an amazing community resource. Adult accompaniment is encouraged and appreciated so that the library staff can focus on providing support with resources rather than supervision of guests.

The Little Library

Thank you to Harrison's PTA for purchasing our own Harrison Little Library that will be housed in the front of our school building. We were very fortunate a few years ago to have a community member that extended the use of her little library at Harrison and generously changed out the books on a regular basis. The community member relocated out of state and our PTA picked up the cost of purchasing another one based on requests for the continuation of this resource. If you are interested in housing and overseeing the rotation of books, please reach out to the Harrison PTA via Facebook or you may leave a message for them at the school office. You do not have to be an active PTA member to oversee this resource for the Harrison Community. The Harrison Little Library should be mounted before the end of the school year.

Reminders & Such

Moving??

You are responsible to notify the office when you move. This will facilitate you getting timely mailings. If you should move to another school district, it is necessary to sign the Records Release Form authorizing the school to forward academic records to the new school. Please contact the school office by May 31, 2024 if your child will not be returning to Harrison next school year due to a move.

Our school office will officially close Friday, June 14, 2024. Please note that all chromebooks, must be returned or a \$200 fee will be assessed. Withdrawals that occur over the summer will need to go through the Lakewood Board of Education.

Lost & Found

Items that have been found throughout the school year and have not been retrieved will be on a table outside in the overflow lot Tuesday, May 28th at 3:00 - 3:15 p.m. All items not retrieved on this day will be donated to charity.

Additional Reminders

- * Students must wear shoes that have some type of strap or back to hold them on their feet for safety reasons while at school.
- * Students are not permitted on the school playground immediately following school unless they are with an adult.
- * Please note that Horizon Educational Center has a permit to use our school playground from 3:15 - 5:00 p.m. Others can be asked to leave if they are causing a disruption to the permitted program and their use.

Harrison Garden Club

Harrison PTA

Our last meeting for the school year was May 14th as noted in the April Newsletter. Be sure to join next year. There are some amazing plans in the works for next year.

Congratulations 5th Grade Students!! We wish you the best in middle school!!
