## From The Principal

To our Bryn Mawr Bulldog Families!

As we close out this school year, I want to express my deepest gratitude to our students, caregivers, family members, and community members for their unwavering support and tireless efforts to make Bryn Mawr a school we can all be proud of. Despite the challenges and obstacles we faced, we have come together as a community to overcome them and make this year a success. Our dedicated faculty and staff have worked tirelessly to engage and enrich the lives of our students.

I want to acknowledge the incredible work of our fifth-graders, who have earned their place as scholars and are ready to embark on new

adventures at their new schools.

As we head into summer, I encourage families to take advantage of the educational opportunities available and to give their students the well-deserved rest and relaxation they've earned. We look forward to welcoming our returning students back in September, ready to build on the foundation we've established together.

Sincerely,  
*Principal Oldenburg*

# FIELD DAY

# 2024

## FRIDAY, JUNE 7TH.

It's time to plan your student's transportation for school year 2024-25! Please visit the link at the QR code and fill out the Transportation Request Form **before June 14.**

<https://shorturl.at/amLM5>

Transportation Request Forms due  
**BEFORE JUNE 14**

**~ 2nd Grade ~**

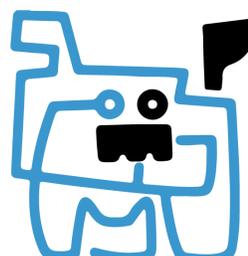

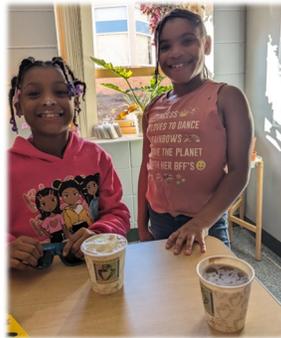

This month your second graders will be working on adding and subtracting numbers in the hundreds up to 1000. They are also comparing numbers in the hundreds. In Reading, we are learning about goods and services, needs and wants, and how our economy works. All of the 2nd graders are excited about Field Day on the 7th!

We are all hoping to have a great end of the year! Thank you families for all your support this year!

**~ Kindergarten ~**

It is hard to believe we are almost done with the school year. The Kindergartners have worked so hard this year and grown in so many ways. They have worked hard on their reading skills and their math skills. But most of all they have grown to be friends and learned to be kind to one another. The K team would like to take this time to thank our wonderful families for all their help and support this school year. Even though it is time to send the Kindergartners to First grade, they will always have a special place in our hearts.

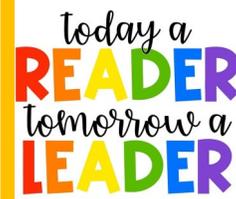

**The K Team**

**FROM THE LIBRARY**

Hello Bryn Mawr families,

**All library books are due now !**

Please return them as soon as possible. Students with overdue books will receive notices and

they can also check the status of their library account by logging into **Destiny** with their school username and password and then clicking on "My Stuff" at the top.

**SUMMER SCHOLARS REGISTRATION OPEN !**

## Counseling Corner

Summer is right around the corner and without the structure of school, days can feel long. " While it's completely normal for kids to relax during summer break, maintaining a certain level of structure can provide physical, mental, and emotional benefits.

"When teens and children get too relaxed with their routine, they often have to go through a major adjustment period to get back on track when they return to school," said Staela Keegan, licensed clinical social worker (LCSW), licensed clinical alcohol and drug counselor (LCADC), and Clinical Director at Nutley Family Service Bureau (NFSB). "We see a lot of kids struggling in September. Having a routine provides accountability and helps keep kids active and sharp."

Minneapolis Public Schools is offering summer programming, which is a great way to keep our children active and engaged in learning.

SCHOLASTIC EDUCATION SOLUTIONS

# SUMMER READING

**Keep Kids Engaged with Books and Stories  
All Summer On Scholastic Home Base**

Join us from May 9 through September 12, 2024, on Scholastic Home Base, a completely free digital destination that offers stories, characters, games, and a community of readers. Home Base is moderated for safety 24/7.

**Start Your Summer Reading Streak™!**

**Visit Home Base**

By creating an account on Scholastic Home Base, kids can join a community of readers and will be able to read books and stories; attend author events; interact with their favorite characters; play book-based games and activities; join dance parties; and more!

**Keep a Reading Streak**

Kids will be able to track summer reading by reading every day and maintaining a Reading Streak in Home Base. The longer readers extend their Reading Streak, the more digital experiences they earn! Kids can read any book of their choice and download and print a report of their reading progress at any time.

**Safety is our priority!** Scholastic Home Base employs multiple safeguards to protect children online, including 24/7 human moderation and a sophisticated automated filter to ensure content safety. The Home Base admins model and encourage positive digital engagement, providing a great introduction for kids to internet safety.

**To learn more, scan the code  
or visit [scholastic.com/summer](https://scholastic.com/summer)**

 **SCHOLASTIC**

To lie sometimes on the grass under the trees on a summer's day, listening to the murmur of water, or watching the clouds float across the blue sky, is by no means a waste of time.

John Lubbock
