

## CARPENTRY LEVEL II

### 2024-25

Class Meets: Monday - Friday  
Class Time: 8:00 am to 3:00 pm

Instructor: C. Snodgrass  
1000 hours - 9 months

Move beyond the basics of residential construction in this second level carpentry course. Carpentry Level II combines on-the-job training with advanced construction theory and hands-on skills to prepare students to work as professionals in both residential and commercial job sites. Carpentry Level II is more work-based than theory, so the instructor will focus on continuously assessing the level and quality of students' skill attainment throughout this training. The students will receive constructive feedback and ample opportunities to hone their skills, especially while they build a house on-site or do live construction projects for both internal and external customers. Project planning, scheduling, estimating, and management are all aspects of becoming a Construction Crew Leader; therefore, improving critical thinking, effective communication, and teamwork, as it relates to dealing with supervisors, co-workers, and customers, will also be a main focus of this training as students prepare to transition from job-related training to industry work. Students will have the opportunity to compete in the Career and Technology SkillsUSA student organization competition in either framing or cabinet-making at the regional, state, and national levels.

<b>TUITION.....</b>		<b>\$2550.00</b>
1 <sup>st</sup> Semester .....	\$1275.00	
2 <sup>nd</sup> Semester.....	\$1275.00

Tuition and fees or documentation from your funding agency are due by the first day of class each semester. Students who are enrolled in a program for more than 10 scheduled school days will be responsible for the full semester's tuition and fees, regardless of enrollment or funding status. Out-of-district adult students will pay in-district tuition plus \$1000 for an "out-of-district" fee. Tuition and fees will not change while a student is enrolled in the program.

**FUNDING AGENCIES:**

Please contact GPTC before issuing a payment for student's tuition and fees.
