Director of Community Engagement
CRUHS

Bullhead City, AZ – Several years of neglect resulted in River Valley High School falling into disrepair. Since Dr. Richard became the Superintendent two years ago, he has worked with our School Board to invest hundreds of thousands of dollars on the following facilities improvements to the River Valley Campus:

Removal of old carpets and new flooring in common areas, security fencing project, new weight room and equipment, new HVAC units, internet and wireless upgrades, new equipment and uniforms for student athletes, Chromebooks for every student, new ID card system, new locks on all doors and gates, and this latest addition...new goal posts on the practice field!

Future projects include; a new bell & intercom system, new roofs on all of the buildings, exterior paint and weatherization, new windows, new band uniforms, painting and new carpets in classrooms.

Go Dust Devils!
