Asbestos Management Plan Annual Notice of Availability

To Staff, Parents/Guardians, and Students:

This notice serves to fulfill annual notification requirements in accordance with Section 763.93 of the *Asbestos Emergency Response Act* (AHERA). AHERA requires that all school buildings be visually inspected by accredited inspectors to identify all asbestos-containing building materials (ACBM) that may be present in the school environment. As required under AHERA, Cardigan Mountain School must maintain an Asbestos Management Plan (AMP) and keep the AMP on file at the school. The AMP is available for review during school hours, Monday through Friday.

Periodic surveillance of known asbestos in Cardigan Mountain School is performed every six months by a designated person to assess the condition of the ACBM. Six-month Assessment Results are maintained and are also available for review in the AMP.
