LEADERSHIP ACADEMIES AT JOHN T. WHITE, MITCHELL BOULEVARD, MAUDE I. LOGAN, COMO ELEMENTARY AND FOREST OAK MIDDLE

To Our Valued Substitute Teachers –

Did you know our Fort Worth ISD Leadership Academies have an extended day? This means the compensation for substitute teachers at these locations will be an **extra \$10 per day**.

The Leadership Academies were announced as five Fort Worth ISD schools needing academic improvement. The schools were reconstituted under a new plan unveiled by Superintendent Kent P. Scribner and supported by the community.

The new Fort Worth ISD Academies will embrace a strong culture of high expectations and both teachers and students will receive a multitude of resources to make that happen.
