- In case of any other emergency on the TCC South Campus but outside the ECHS Defined Area, the TCC Police Department procedures and policies will be implemented, and the ISD Security Department will be fully informed and engaged where necessary.
- The counselor to be provided by ISD shall be experienced and shall be assigned to the ECHS full-time. His or her duties shall include, but shall not be limited to, providing individual counseling (including crisis counseling); assisting with classroom management issues; developing and providing student development programs; and presenting programs in the annual counselor calendar, to the extent permitted by, and in accordance with, ISD policy and procedure.
- TCC shall provide all ECHS students, faculty, and staff with standard TCC identification badges.
- ISD shall require that ECHS students wear their TCC identification badges at all times when they are on TCC property.
- ISD will provide security for the ECHS Defined Area at all times when the facility is in use for ECHS purposes, in accordance with applicable law and ISD policies and procedures. The ISD will monitor the entrances of the ECHS Defined Area. The TCC Police Department will be fully informed and engaged where necessary.
- All ISD personnel and/or contract security personnel providing security in the ECHS Defined Area will undergo training with TCC's Police Department prior to undertaking such services at the ECHS.
- ISD shall be responsible for Clery reporting to the TCC Police Department for all activity within the ECHS Defined Area when the facility is in use for ECHS purposes. ISD shall make such reports to the TCC Police immediately after the occurrence of an incident to be reported and thereafter cumulatively annually upon request.
- The TCC Police Department will have jurisdiction over the ECHS property and will provide law enforcement response and support to ISD security personnel in the ECHS Defined Area as needed and/or upon request.
- The TCC Police Department will provide security for all areas of TCC property outside the ECHS Defined Area, in accordance with applicable law and TCC policies and procedures, and the ISD Security Department will be fully informed and engaged where necessary.
- ISD shall be responsible for required criminal background checks (ISD system) of all personnel, whether ISD, TCC, or contract custodial. Charges associated with such background checks will be borne by ISD.
- ISD shall manage the internet bandwidth in the ECHS Defined Area and shall be solely responsible for

compliance with the federal Children's Internet Protection Act of 2000 and all related state and federal statutes and regulations, as such statutes and regulations may be amended in the future. Such compliance shall include, but shall not be limited to, adopting and implementing internet safety policies addressing:

- (a) access by minors to inappropriate matters on the Internet;
- (b) the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications;
- (c) unauthorized access, including so-called "hacking," and other unlawful activities by minors online;
- (d) unauthorized disclosure, use, and dissemination of personal information regarding minors; and
- (e) measures designed to restrict minors' access to material harmful to minors, including the installation of appropriate filters on ECHS computers and other electronic devices and systems.

3) Staffing

The number of instructional and support staff to be provided by each party will be determined in accordance with each party's respective policies and procedures, as well as applicable law. However, it is anticipated that those determinations also will be made on a proportional basis, taking into account the number of students currently in attendance or selected to become a member of the new ninth-grade cohort, compared to the total ECHS student population. Additionally, the determination will take into account the specific needs of the ECHS student population (such as those of medically fragile students) when determining staffing levels. Such determination shall be calculated each academic term before the date that each party must make teacher contract decisions. Notwithstanding the foregoing, in the event that either party reasonably determines that any component of the other party's staffing model for the ECHS is consistently inadequate (even if compliant with law and policy), the parties will consult with one another about the deficiencies, and the non-compliant party will use good faith diligent efforts to address the issues to the reasonable satisfaction of the other party.

4) Operations

- ISD shall require that ninth and tenth-grade ECHS students wear a standardized dress with an ECHS insignia (approved by both TCC and ISD) at all times when they are on TCC property.
- ISD shall require that the parents (or guardians) of all ECHS students have executed the Parental Notification, Release, and Consent form set forth in the ECHS Student Handbook on or before the first day of each academic term, and a copy thereof has been provided to TCC.
- ISD shall provide an attendance clerk whose duties shall include ensuring that attendance and grades are correctly and timely entered in ISD's administrative software.
- TCC shall ensure that grades for college courses are timely and correctly entered into TCC's administrative software.
- TCC will not provide ECHS students with computers, laptops, or e-readers, and to the extent the ISD elects to provide students with such equipment, ISD shall first confirm with TCC that the hardware and software for such equipment is compatible with TCC's computer system.
- ISD shall provide intentionally intrusive and intense support to any underperforming ECHS student, to assist that student to become Texas Success Initiative ("TSI") compliant prior to the commencement of that student's junior year. TCC shall have the right, but not the obligation, to participate in these support efforts.
- ECHS faculty and staff shall be permitted to participate in TCC's in-house professional development

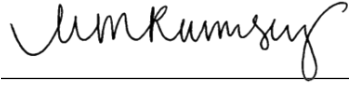

courses at no charge.

5) Expiration or Termination

- Expiration or earlier termination of the MOU shall automatically terminate this OM.
