

HUMAN SERVICES COUNCIL

Healthcare in your school when you need it the most.

*Dr. Robert E. Appleby
School Based Health Centers*

Greater Access to Healthcare

Provide a full range of medical services, health screenings, mental health services, and care for students when they are sick ...all within your child's school.

Our goal is to keep students healthy, in the classroom, and ready to learn.

No Out-of-Pocket Expenses

No co-pays. All insurances accepted. Uninsured welcome. Families are **NEVER BILLED FOR SERVICES**

Eliminate Time Lost

...from doctor's office visits, missed time from work, traveling, sitting in waiting rooms or missing a full day of school

SBHC Staff Know the Students

school community and culture, addressing health and wellness from an inside perspective.

One-time parental consent required

Each SBHC Student will have an annual health check to keep care up-to-date.

Students who have a Personal Care Physician can still use SBHC Services while at school.
