School Annual Education Report

February 15, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Emerson Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Emerson Principal Kara Moore (616-527-8018) for assistance.

The AER is available for you to review electronically by visiting the following web site [<LINK TO EMERSON ELEMENTARY SCHOOL'S COMBINED REPORT>](#) , or you may review a copy in the main office at Emerson Elementary School.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

One of the key challenges for Emerson Elementary School, as evidenced by the data contained in this report, is to accelerate the growth of our economically disadvantaged student subgroup in math, reading, science, and social studies. This school year we will again be using our Title 1 resources to help provide differentiated reading instruction to all students for at least thirty minutes each day in an attempt to help accelerate student achievement and close persistent gaps in achievement.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Ionia Public Schools has five neighborhood elementary schools. Student assignment is based primarily upon geographic location. Class size, special education needs, and transportation availability are other factors that are also considered when students are placed at district elementary schools by Central Office personnel. This process is consistent from year to year and has been in place for several years.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

School Improvement Goals, Objectives, Strategies, and Activities for 2021-2022

*Student Goal Statement #1:

All students at Emerson Elementary School will be proficient in English Language Arts.

Measurable Objective Statements to Support Goal: A 50% increase of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate a proficiency as shown by improvement from the at-risk category to the some-risk or no-risk categories in English Language Arts by 06/7/2022 as measured by the DIBELS Composite. 60% of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate proficiency on the NWEA Reading Test by 06/7/2021 as measured by meeting or exceeding their RIT growth projection.

65% of third, fourth, and fifth grade students will demonstrate a proficiency in achievement in English Language Arts by 06/17/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP ELA Tests. 65% of third, fourth, and fifth grade economically disadvantaged students will demonstrate a proficiency in achievement in English Language Arts by 06/7/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP ELA Tests. 65% of third, fourth, and fifth grade students with disabilities will demonstrate a proficiency in achievement in English Language Arts by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP ELA Tests.

Strategy Statement: Instructional staff will provide English Language Arts instruction to all students for at least 150 minutes every day using the Reading Wonders program and differentiated reading instruction/activities to all students for at least 30 minutes every day. In addition, teachers will use formative assessments to modify future lessons, make intentional instructional decisions and adjustments based on student understanding, and provide feedback aligned with the learning target(s).

Activities: Elementary Intervention System, Career Day Speakers to Talk About Reading, Expanded Use of Informational Text, Family Nights, Double Immersion of Individual Education Plan Students, Title 1 Paraeducators and/or Title 1 Teacher Interventionists, Utilization of NWEA Reports to Individualize Instruction, High-Yield Strategies for Low-Income Students, Reading Wonders Materials/Resources, Older Students Tutoring Younger Students, Summer Reading Challenge, MTSS PBIS, Reading During Transitional Times, Individual Reading Plans for K-5, MTSS Reading Tier 1, Tier 2, and Tier 3, Enhanced Core Reading Instruction Program and Heggerty Phonemic Awareness Program, Learning A To Z, Professional Learning Communities, Reading Wonders Program, Enhanced Core Reading Instruction Program, and Heggerty Phonemic Awareness Program Training, and Staff Meeting Time for Reading Wonders Discussion

*Student Goal Statement #2:

All students at Emerson Elementary School will be proficient in math.

Measurable Objective Statements to Support Goal: 80% of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate a proficiency by scoring at an average of at least 70% or above in mathematics by 06/7/2022 as measured by the Unit Math Tests. 60% of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate a proficiency on the NWEA Math Test by 06/7/2022 as measured by meeting or exceeding their RIT growth projection. 55% of third, fourth, and fifth grade students will demonstrate a proficiency in achievement in mathematics by 06/7/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP Math Tests. 55% of third, fourth, and fifth grade economically disadvantaged students will demonstrate a proficiency in achievement in mathematics by 06/7/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP Math Tests. 55% of third, fourth, and fifth grade students with disabilities will demonstrate a proficiency in achievement in mathematics by 06/7/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP Math Tests.

Strategy Statement: Teachers will use the Bridges math program and resources to teach the math curriculum in a more conceptual manner to all students for at least 60 minutes every day. In addition, teachers will align daily learning targets standards, help students rephrase learning target(s) in their own words and provide opportunities for students to share their understanding of the importance of the learning target(s).

Activities: Career Day Speakers to Talk About Math, Math Club, Title 1 Paraeducators and/or Title 1 Teacher Interventionists, Double Immersion of Individual Education Plan Students, Utilization of NWEA Reports to Individualize Instruction, High-Yield Strategies for Low-Income Students, Number Talks, Bridges Materials/Resources, Parent/Teacher Information Night, Truancy, Technology Enhanced Instruction, Professional Learning Communities, High Quality Math Instructional Labs, Math Lesson Study, Staff Meeting Time for Bridges Discussions

*Student Goal Statement #3:

All students at Emerson Elementary School will be proficient in science.

Measurable Objective Statements to Support Goal: A 5% increase of fifth grade students will demonstrate a proficiency achievement in science by 06/7/2022 as measured by their semester report cards. 20% of fifth grade students will demonstrate a proficiency in achievement in science by 06/7/2022 as measured by the Fifth Grade M-STEP Science Test.

Strategy Statement: Teachers will use the Mystery Science Program to teach the Next Generation Science Standards core ideas, incorporating the Science and Engineering Practices and cross-cutting concepts as appropriate.

Activities: Science Curriculum Committee, Writing to Learn in Science, Title 1 Family Fun Science Night, Expanded Use of Informational Text (Reading Wonders), Science Materials/Resources, Mystery Science Program, Science Curriculum/Lesson Development – Professional Learning, Classroom Learning Labs, Coaching

*Student Goal Statement #4:

All students at Emerson Elementary School will be proficient in social studies.

Measurable Objective Statements to Support Goal: A 10% increase of fifth grade Economically Disadvantaged students will demonstrate a proficiency in achievement in social studies by 06/7/2022 as measured by the fifth grade state assessment.

Strategy Statement: All grade level teachers will begin implementing the Studies Weekly Social Studies Curriculum using the district-provided materials/resources.

Activities: Social Studies Curriculum Committee, Writing to Learn in Social Studies, Expanded Use of Informational Text (Reading Wonders), Studies Weekly Social Studies Program Training, Writing to Learn in Social Studies, Expanded use of informational text.

School Improvement Goals, Objectives, Strategies, and Activities for 2020-2021

*Student Goal Statement #1:

All students at Emerson Elementary School will be proficient in English Language Arts.

Measurable Objective Statements to Support Goal: A 50% increase of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate a proficiency as shown by improvement from the at-risk category to the some-risk or no-risk categories in English Language Arts by 06/10/2022 as measured by the DIBELS Composite. 60% of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate proficiency on the NWEA Reading Test by 06/10/2021 as measured by meeting or exceeding their RIT growth projection.

65% of third, fourth, and fifth grade students will demonstrate a proficiency in achievement in English Language Arts by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP ELA Tests. 65% of third, fourth, and fifth grade economically disadvantaged students will demonstrate a proficiency in achievement in English Language Arts by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP ELA Tests. 65% of third, fourth, and fifth grade students with disabilities will demonstrate a proficiency in achievement in English Language Arts by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP ELA Tests.

Strategy Statement: Instructional staff will provide English Language Arts instruction to all students for at least 150 minutes every day using the Reading Wonders program and differentiated reading instruction/activities to all students for at least 30 minutes every day. In addition, teachers will use formative assessments to modify future lessons, make in-the-moment instructional adjustments based on student understanding, and give general feedback aligned with the learning target(s).

Activities: Elementary Intervention System, Career Day Speakers to Talk About Reading, Expanded Use of Informational Text, Family Nights, Double Immersion of Individual Education Plan Students, Title 1 Paraeducators and/or Title 1 Teacher Interventionists, Utilization of NWEA Reports to Individualize Instruction, High-Yield Strategies for Low-Income Students, Reading Wonders Materials/Resources, Older Students Tutoring Younger Students, Summer Reading Challenge, MTSS PBIS, Reading During Transitional Times, Individual Reading Plans for K – 5, MTSS Reading Tier 1, Tier 2, and Tier 3, Enhanced Core Reading Instruction Program and Heggerty Phonemic Awareness Program, Learning A To Z, Professional Learning Communities, Reading Wonders Program, Enhanced Core Reading Instruction Program, and Heggerty Phonemic Awareness Program Training, Staff meeting time

*Student Goal Statement #2:

All students at Emerson Elementary School will be proficient in math.

Measurable Objective Statements to Support Goal: 80% of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate a proficiency by scoring at an average of at least 70% or above in mathematics by 06/10/2022 as measured by the Unit Math Tests. 60% of kindergarten, first, second, third, fourth, and fifth grade students will demonstrate a proficiency on the NWEA Math Test by 06/10/2022 as measured by meeting or exceeding their RIT growth projection. 55% of third, fourth, and fifth grade students will demonstrate a proficiency in achievement in mathematics by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP Math Tests. 55% of third, fourth, and fifth grade economically disadvantaged students will demonstrate a proficiency in achievement in mathematics by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP Math Tests. 55% of third, fourth, and fifth grade students with disabilities will demonstrate a proficiency in achievement in mathematics by 06/10/2022 as measured by the Third, Fourth, and Fifth Grade M-STEP Math Tests.

Strategy Statement: Teachers will continue the use of the Math Expressions program and resources to teach the math curriculum in a more conceptual manner to all students for at least 60 minutes every day and ask questions to probe and deepen student understanding or uncover misconceptions and assist students in clarifying their thinking with one another.

Activities: Career Day Speakers to Talk About Math, Math Club, Title 1 Paraeducators and/or Title 1 Teacher Interventionists, Double Immersion of Individual Education Plan Students, Utilization of NWEA Reports to Individualize Instruction, High-Yield Strategies for Low-Income Students, Number Talks, Math Expressions Materials/Resources, Fall Parent/Teacher Information Night, Truancy, Technology Enhanced Instruction, Conceptual Math Training, Professional Learning Communities, High Quality Math Instructional Labs, Math Lesson Study, Staff Meeting Time for Math Expressions Discussions

*Student Goal Statement #3:

All students at Emerson Elementary School will be proficient in science.

Measurable Objective Statements to Support Goal: A 5% increase of fifth grade students will demonstrate a proficiency achievement in science by 06/10/2022 as measured by their semester report cards. 20% of fifth grade students will demonstrate a proficiency in achievement in science by 06/10/2022 as measured by the Fifth Grade M-STEP Science Test.

Strategy Statement: Teachers will use the Mystery Science Program to teach the Next Generation Science Standards core ideas, incorporating the Science and Engineering Practices and cross-cutting concepts as appropriate.

Activities: Science Curriculum Committee, Writing to Learn in Science, Title 1 Family Fun Science Night, Expanded Use of Informational Text (Reading Wonders), Science Materials/Resources, Mystery Science Program, Science Curriculum/Lesson Development – Professional Learning, Classroom Learning Labs, Coaching

*Student Goal Statement #4:

All students at Emerson Elementary School will be proficient in social studies.

Measurable Objective Statements to Support Goal: A 10% increase of fifth grade Economically Disadvantaged students will demonstrate a proficiency in achievement in social studies by 06/10/2022 as measured by the fifth grade state assessment.

Strategy Statement: All grade level teachers will begin implementing the Studies Weekly Social Studies Curriculum using the district-provided materials/resources.

Activities: Social Studies Curriculum Committee, Writing to Learn in Social Studies, Expanded Use of Informational Text (Reading Wonders), Studies Weekly Social Studies Program Training, Writing to Learn in Social Studies, Expanded use of informational text.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

While Emerson does house a district-wide preschool program called Great Start Readiness Program (GSRP), it is primarily a kindergarten through elementary school, not a specialized school. It was primarily a kindergarten through fifth grade elementary school, not a specialized school, the previous school year as well.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

Curriculum Development at Ionia Public Schools – Elementary Schools, 2021-2022

Curriculum development at Ionia Public Schools is a process that requires a large commitment from the teachers and administrators involved. These stakeholders must accept the responsibility for interpreting and aligning the Michigan Standards. They are developing or have developed essential component curriculum maps and learning targets from these standards in math and ELA. These stakeholders were also involved in researching and recommending materials.

The district continues to commit to the process of installing a Multi-Tiered System of Support. The research that supports this process shows that the achievement of all students increases. Also, the research shows that the greatest gains are for at-risk students. The district has committed to continuing to expect high achievement for all while closing the existing achievement gaps. We have established minimum instructional time expectations for English Language Arts, math, science, and social studies.

The curriculum focus continues to be the implementation of Reading Wonders and the integration of the Literacy Essentials. Data shows that the skills of our students are increasing. We have continued supporting grade-level problem solving for reading and behavior. Elementary teachers are working hard to support students with the five essential reading components (phonemic awareness, phonics, fluency, vocabulary development, and reading comprehension).

Bridges Math has been implemented by all kindergarten through fifth grade teachers. This curriculum will equip teachers to fully address state standards in a rigorous, engaging, and accessible manner. It will help students gain a deep understanding of concepts, proficiency with key skills, and the ability to solve complex problems. The curriculum is composed of three distinct but integrated components: Problems & Investigations, Work Places, and Number Corner.

Academic success and improvement are of vital importance at Ionia Public Schools. Through continuous reflection and professional development, our teachers work to improve learning for all students.

To access a copy of the Ionia Public Schools' Core Curriculum, please contact Associate Superintendent of Student Achievement and Human Resources, Mr. Wayne Piercefield III, at 616-527-9280.

Curriculum Development at Ionia Public Schools – Elementary Schools, 2020-2021

MICI	82	11	100	11
IRR	100	8	100	8
Total Students	94%	166	95%	157

-

The staff and students at Emerson Elementary have been working hard to address the achievement gap due to covid. The staff and Emerson families are committed to helping all students grow academically, socially and emotionally. I look forward to the 2023-2022 school year as we continue to work together, implement the strategies and activities to maximize instruction and provide focused and intentional intervention/enrichment to all students. It is our goal to provide all the elements our students need to S.O.A.R.

Sincerely,

Kara Moore
