Headphones

Used!!!

Dear Families,

Your child will use a pair of headphones for online work for subjects such as Science, Social Studies, Math, ELA, Fastbridge testing, AR and CA State Testing. The best headphone to purchase is one with nicely padded ear pads, rather than the earbud style. Please DO NOT get Bluetooth or wireless headphones. We will use them for Fastbridge testing which usually starts by the second week of school. If you can get headphones for the first week of school, it would be much appreciated. Please put your child's name on the earphones or put it in a bag with their name on it.

Thank you in advance,

The Third Grade Team
