## **Welcome to the 2025-2026 School Year!**

**As principal, I want to work with you in making this year your child's best year ever!** Please call me whenever I can assist you. If you ever have a concern, please begin by contacting your child's teacher to discuss the concern and develop a solution. If I am needed after that discussion, I will certainly do my best to help!

**Please read over the following carefully.** A folder will come home with your child every Tuesday. Parents are asked to look over the contents of the folder for important notifications and information. Please, return the folder to school the next day and include anything that needs to be signed, as well as signing the sheet attached to the folder indicating that you have reviewed the contents of the folder. This folder will serve as our home-school communication tool.

### **The teachers and I want to become partners with you in educating your child.**

We are a Title 1 School. Title 1 is the largest federal assistance program for our nation's schools and the goal is to provide a high quality education for *every* child. Therefore, this program provides extra help for the children who need it most.

The building opens at 7:15 A.M. Breakfast in the Classroom begins at 7:30 A.M.

**Students are tardy after 7:45 A.M.**

Dismissal begins at 2:45 P.M. - Car-riders picked up by 3:05 P.M.

Office closes at 3:30 P.M.

Elementary full price student lunches are \$2.45. We encourage all parents to complete a Free/Reduced Meal Application and turn it in to the office or café. Parents are invited to come and have lunch with your student anytime! Adult lunches cost a couple of dollars more but they are still a great deal!

**We ask that you not send carbonated beverages with your child!**

### **Important Information and Procedures:**

- Please come into the office when you visit school to sign our visitor/volunteer book and get a "pass-sticker" – this is a safety precaution
- Parents may call before 9 A.M. for make-up work when their child has been absent for more than one day. The work will be available in the office after 2:15 P.M.
- Children are not to bring gum, toys, pets, radios, knives, or any other personal items to school.
- Parents need to bring medications in to the nurse in the prescription bottle and complete our Medication Form. No other medications can be given to students.
- Parent Notes or Doctor's Notes are required when children are absent or are to go home a different way than usual.
- Nutritious foods are mandated when snacks are allowed. A list of recommended foods is available upon request. Please remember these mandates when bringing treats for special occasions.
- Students' clothing should be comfortable and appropriate. Shorts and skirts must be at least "finger-tip" length. Tank tops, spaghetti straps, and bare midriffs are not allowed. We ask that clothing not refer to alcohol, cigarettes, or vulgarity.

- Grace Hill Elementary has a ZERO TOLERANCE for violent/aggressive behavior. All students involved will have consequences according to district policy.
- Attendance is important! If a student misses more than ten days of school in one semester, he/she may be retained.
- Achievement Tests and State Assessments are given in March, April, and May. PLEASE do not plan any trips or appointments that will cause your child to miss school.

We look forward to a GREAT school year!

**Grace Hill Elementary  
School Engagement Plan  
25-26**

**1: Jointly Developed**

Grace Hill Elementary recognizes the necessity and value of a strong home/school connection. Families, administrators, teachers, and support staff must work together as a team to support high standards for all students. Our Parent Involvement Plan is comprehensive and coordinated in nature. The plan is developed in collaboration with staff, parents, and community members.

In order to allow all parents including parents with limited English proficiency, parents with disabilities, and parents of migratory children the full opportunity to participate in their child's education, Grace Hill will:

- to the extent possible-provide information in a language and format that parents understand
- provide assistance to parents of children served by the school in understanding topics such as:
  - state's academic content standards
  - state academic achievement standards
  - requirements of Title I
  - how to work with educators to improve the achievement of their child
  - how to monitor their child's progress
- provide materials and training to help parents work with their child to improve their child's achievement
- educate staff
  - value the importance of parent contributions
  - ways in which to communicate more effectively with parents
  - how to build the appropriate ties between parents and the school
- coordinate and integrate-to the extent possible-parental involvement programs and activities with groups such as, but not limited to, Head Start, Rogers Pre-School Programs,

Home Instruction Programs for Preschool Youngsters, and provide other reasonable support for parental involvement activities as parents may request

## **2: Communication**

The Parental Involvement Plan is made available to parents and local community members at the beginning of each school year, during the fall parent/teacher conferences or anytime upon request. The Grace Hill Parental Involvement Plan is revisited in the spring of each school year by a committee of parents, administrators, teachers, and support staff. Should the Parental Involvement Plan be unsatisfactory to parents, parents have the opportunity to submit any comments to the school and the Grace Hill Parent Involvement Committee. To the extent possible, responses to concerns and comments will be addressed as quickly as possible.

Communication with parents is another requirement of the Parental Involvement Plan. The Grace Hill Parent Involvement Committee and Grace Hill Elementary Staff believe that in order for parent/teacher communication to be beneficial it should be open, two-way, and to the extent possible, in a language and format that the parent can understand. It is believed that only through effective communication can each child's success be assured. Parents are encouraged to call the school to speak with their child's teacher should they have any questions or concerns. Parents are also welcome to set up a time for a conference at which teachers can give their undivided attention to the parent's concerns and questions. Phone and e-mail contact information is located at the back of the Parental Involvement Plan.

Parent/Teacher Conferences are offered twice during each school year. These conferences are important times for teacher and parents to share the responsibility to make decisions concerning each child's education. During these conferences, teachers will share information concerning each child's progress towards meeting the state's high academic standards. Assessments to measure progress and the level at which proficiency is expected will also be shared during this meeting. Academic Improvement Plans will be addressed as needed. These conferences are offered at flexible times in order to accommodate as many parents as possible.

Other forms of communication available to Grace Hill parents include but are not limited to:

- Website
- Grace Hill Parent Involvement Plan
- Grace Hill Parent Information Packet

- Announcements
- Tuesday Communication Folders
- SMORE Monthly Newsletter
- Grace Hill Facebook page and Instagram
- Parent Square Communication app

### **3: Building Staff Capacity**

An important requirement of the Grace Hill Involvement Plan includes the component of continued staff development in the area of parent involvement. Training will be held with topics such as ways to communicate effectively with parents, methods by which parents can become more involved in the school, and how to bridge the home-school connection. It is the goal of the Grace Hill Parent Involvement Committee for professional development to provide staff with the necessary skills needed to partner with all parents in order to assure each child's academic success.

### **4: Building Parent Capacity**

All parents are also encouraged to be aware of the many resources available to their help child. One such resource is the Internet. Parents might want to check out these valuable websites:

## **5: Coordination**

At Grace Hill we welcome visiting parents and encourage parents to have lunch with their students and volunteer in classrooms. We invite and encourage parents to participate in our Parent Teacher Organization and to attend all education, information and award events. We enjoy the visits of former students who come to see the school and teachers or administrators that they remember from their time at Grace Hill. Former students reach out to volunteer in our school: reading with students and helping in the classrooms. We invite parents and community members to serve on our School Improvement Plan committee, to become involved in PTO, and to work with other Grace Hill groups. We have partnerships with community organizations that come to our school to support students including Rogers

Christian Church, Grace Hills Church, and Keypoint Church. We have a partnership with the SOAR after school program who works with our students and parents by providing a free after-school program that supports families with homework completion and student's individual academic goals. Community leaders and local businesses support Grace Hill through donations and through other special projects.

#### **6: Annual Title I Meeting** *(Title I schools)*

Another requirement of the Parental Involvement Plan is that each school hold an annual meeting for parents. The Grace Hill Annual Title I Meeting, Open House, is held in the fall of each school year. The school principal speaks during the welcoming session. Teacher sessions allow teachers the opportunity to present parent information. The topics of the Title I Annual Meeting include, but are not limited to, the following:

#### **7: School-Parent Compact** *(Title I schools)*

[The staff of Grace Hill Elementary School believes that high student academic achievement is a shared responsibility of our staff as well as parents of our students. In order to show that shared responsibility, Grace Hill Elementary School in conjunction with the Grace Hill Parent/Teacher Organization consisting of parents of students participating in the Title I program developed a School-Parent Compact that is reviewed annually. This Compact identifies the activities of the parents, entire school staff, and the students of Grace Hill Elementary School to develop a partnership to help our students achieve the state's high academic standards. Because Grace Hill Elementary School understands that language issues may be a barrier to parent involvement, the Grace Hill Parent School Compact is available in both English and Spanish.

The Grace Hill Elementary School-Parent Compact describes

- the school's responsibility to provide high-quality curriculum and instruction in a supportive, effective learning environment that supports students in our school to meet the state's academic achievement standards;
- how parents can be responsible for supporting their child's learning;

- the importance of communication between teachers and parents on an on-going basis through

- parent-teacher conferences two times a year
- student progress reports to parents
- reasonable access to staff
- opportunities to volunteer and participate in their child's class
- observation of classroom activities

Text box for responses]

#### **8: Reservation of Funds** *(Title I schools)*

Grace Hill Elementary School is a Title 1 School, and as such, receives Title 1 funds each school year for the purposes of supporting parent and family engagement. Each year, we hold a meeting in the Spring with stakeholders to review our parent involvement plan and to get feedback about how this money will be spent. Currently, this money helps pay for our Tuesday communication folders, our parent digital newsletter called SMORE, parent involvement nights, and ESGI (an online data collection tool that allows us to provide important parent-friendly reports about the progress of their students in kindergarten and first grade).

## Grace Hill Elementary Parent Friendly Plan

Parental involvement is a critical component of a child's success in school.

Grace Hill Elementary is committed to frequent and meaningful, two-way communication with our parents including, but not limited to weekly communication folders, Class Dojo communication app, and parent teacher conferences twice per year. We recognize parents as the first and most important teacher in each child's life and will seek to support parents in this role through facilitating information on parenting. We will provide opportunities for training in strategies and activities that can be used at home to support academic achievement. Additionally, we encourage parents to volunteer in a variety of roles and to offer input to procedures, practices, and decisions through the use of surveys and conferences.

Grace Hill Elementary School jointly developed, with stakeholders, the following school parental involvement plan that describes how the school will carry out parental involvement requirements according to Arkansas Act 1002 of 2011. Grace Hill's written parental involvement plan is made available to parents and the local community. Each year, an advisory committee consisting of parents, teachers, and community members will review and update the Parent Involvement Plan, develop school goals and address specific student needs, reflecting the commitment to facilitating parental involvement.

Dr. Jeff Perry, Superintendent

Dear Parent:

In December 2015, former President Barack Obama signed the Every Student Succeeds Act into law.

Parents continue to have the same rights as they did under “No Child Left Behind”.

Under ESSA, parents have a right to know the professional qualifications of their children’s teachers(s).

This letter is to inform you of your right to ask for the following information about each of your child’s classroom teachers:

- Whether the state of Arkansas has licensed or qualified the teacher for the grades and subjects he or she teaches (Note: We are also required to send a notice to parents affected if the teacher is not fully licensed, so if you haven’t received such notice, your child’s teacher(s) is/are fully licensed.)
- Whether the teacher is teaching under an emergency permit or other provisional status through which state licensing criteria have been waived.
- The teacher’s college major, whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- If any time your student has been taught for four (4) or more consecutive weeks by a teacher(s) that is not highly qualified, then you will be notified by the school.

You also have the right to request information regarding the qualifications of the paraprofessional(s) assisting your child’s teacher(s). If your child is receiving Title I, Part A services from a paraprofessional, then our district or school is able to provide you with the following information:

1. Whether the paraprofessional has completed at least two years of study at an institution of higher education.
2. Whether the paraprofessional has completed an associate’s degree (or higher).
3. Whether the paraprofessional has met a rigorous standard of quality through our state’s certification procedure for determining the quality of paraprofessional staff.
4. Whether the paraprofessional has: (a) the knowledge of and ability to assist in instructing reading, writing, and mathematics or (b) the knowledge of and the ability to assist in learning activities, such as homework, reading readiness, writing, mathematics, and other support as appropriate.

If you would like to receive specific information about your child’s teacher or paraprofessional, please visit our office at 500 West Walnut Street to fill out a Parent Request Form. A response will be mailed to you within ten working days from the date of the request. Our office is open from 7:30 a.m. to 4:30 p.m. Monday through Friday.

Our district is fully committed to the success of your child. We appreciate your partnership in our efforts.

Sincerely,

Dr. Roger Hill

Assistant Superintendent for Human Resources
