## Chromebook Care Tips

### Do's:

- Keep your Chromebook charged. Do not allow battery to completely die.
- Clean the screen with screen cleaner and a dry microfiber or anti-static cloth.
- Clean outside of Chromebook with Clorox or disinfectant wipes. Never spray anything directly on the Chromebook.
- Before closing the screen, make sure there is nothing on the keyboard to prevent the full closure of the device.
- When plugging in Chromebook to charge, gently push in the power cord.
- When unplugging, gently pull the power cord straight out. Do not yank on cords.

### Don'ts:

- Do not draw on Chromebook or add any stickers or labels. Chromebooks are NUSD property.
- Do not place heavy objects on top of Chromebooks.
- Do not loan your Chromebook to another student or individual.
- Do not eat or drink near Chromebook.
- Do not set Chromebook on blankets, beds, sofas or pillows while in use. This may cause overheating.
