

Dear Parent/Guardian,

This summer your child will be responsible for completing the summer reading assignment (attached). This is a **required** summer reading assignment as it will be counted as a quiz grade towards the first marking period grade. (see rubric)

Please review the complete reading assignment with your child and return this top sheet to me.

If you have any questions, please feel free to write them on the bottom of this sheet or email me at [hcampo@dealschool.org](mailto:hcampo@dealschool.org).

Thank you in advance for your participation in your child's learning!

## **Summer Reading Assignment**

Students entering Grade 3

Students must complete **both** summer assignments to receive full credit. You may use Raz Kids, or a book of your choice. If you are reading a chapter book, you can complete Assignment 1 using 1 book, and Assignment 2 using another.

Assignment 1. Students are required to read 8 level appropriate books or 1 chapter book. After each book or chapter, the student should fill out the recording sheet noting the date, title, a sentence, and parent initials.

Assignment 2. The students will read 5 additional level appropriate books or 1 chapter book. After each book or chapter, the student will choose to complete 1 activity for each book. Please see the reference sheet for a list of activities and suggestions. (These responses should be longer, more thoughtful, and include details)
