

The Annual Fund is the mainstay for charitable giving at the Prep. Donors have the option of directing gifts to a specific area of personal interest knowing that they are helping to create a community where students can flourish academically, spiritually, and intellectually.

Opportunity and Access

- 532 young men from middle and lower income families are able to attend the Prep through our tuition assistance and scholarship programs.

Education and Service

- Curriculum enhancements and an accomplished faculty with the training and tools necessary maintain the Prep's competitive academic environment.
- Global programs on six continents prepare students for our interconnected and diverse world.

- Service and ministry experiences foster empathy and compassion while teaching respect, accountability, and good citizenship.

Athletics, Arts, and Activities

- Student-athletes compete at the highest levels and earn city and state championships.
- Prep performers, musicians, and artists develop their talents on stage and screen.
- Confidence and leadership skills are fostered among students exploring business, entrepreneurship, tech, and a myriad of other career fields through 60 clubs, platforms, and mentorship opportunities.
