

# Corl Street PTO Directory

The Corl Street School Directory is published each year and all students receive a copy. It quickly becomes a valuable resource for parents and students who refer to it for many reasons: play dates, putting together birthday parties, or getting help with a forgotten homework assignment! *Your participation is voluntary. Only fill out if your address(es) or phone numbers have changed since last year or you have a new student. We will take care of room number updates from last year's directory.*

Is one of your children new to the Corl Street Directory, or did your address, email, or phone numbers change since last year? If so, please complete this form and **highlight what has changed with an \***. If not, please recycle this paper – it will save the committee time! Thanks.
